Mrs. Ellen Cleary,

Dear Madam:

Your Government has provided an opportunity for all Mothers and Widows of deceased members of the American Forces who were lost, buried at sea, or whose remains are now interred in Europe, to make a pilgrimage to the cemeteries in Europe. This was done in the hope that all who may make the pilgrimage will derive a measure of comfort and solace from the visit.

You are numbered among those who are privileged to make this pilgrimage.

During July and September of this year, inquiries were addressed to you as to whether or not you desire to make the pilgrimage to Europe. To these inquiries no reply has been received from you.

You probably do not realize how important it is that a reply be received from you. If we do not receive replies, it becomes very difficult to make the necessary and proper arrangements for those who are to make the trip, as everything must be arranged in advance. Consequently, it is just as important for the Government to know the names of those who do not desire to take advantage of its offer as it is to know the names of those who do.

Will you please devote a few moments of your time to write either the word "YES" or "NO" in the following space _____, thus indicating whether or not you desire to make the pilgrimage during 1933 and sign your name here _____. Use the enclosed envelope, which requires no postage, and return this sheet.

This reply will assure your Government that no worthy Mother or Widow has failed to receive its offer in commemoration of a loved one departed, and will greatly assist in making the necessary preparations for those of them who wish to take advantage of the privilege.

For The Quartermaster General,

Very truly yours,

Dear Madam:

The Act of Congress of March 2, 1929, authorizes pilgrimages to the cemeteries of Europe for the mothers and widows of deceased members of the American forces. The purpose of the Act is an endeavor to bring a measure of peace and comfort to the hearts of the mothers and widows whose loved ones made the supreme sacrifice, and it appears from communications from women who have made the journey that this effort has not been in vain.

As the mother of the late Private John J. Cleary, you are eligible to make a pilgrimage to his grave in the Aisne-Marne American Cemetery in France. All necessary expenses of the pilgrimage will be borne by the Government and personnel to care for your comfort and needs will be provided. Doctors and nurses will be available and should you make a pilgrimage, you are assured the journey will not only be made at the expense of the United States, but everything possible for your welfare will be furnished. In other words, you will be the honored guest of the United States Government.

It is the earnest endeavor of this office to discover the wishes of each mother and widow with reference to the pilgrimage. It is hoped that you will decide to make the pilgrimage and will so state; however, if you feel you cannot accept the invitation, it is important that we be advised. You can realize that in arranging all details of a trip for so many people, it is necessary to have all information at once so that proper arrangements may be made. For the reasons stated, it will be appreciated if you will complete the questionnaire enclosed herewith and return it to this office in the enclosed envelope which requires no postage.

This letter is forwarded to you in an effort to obtain your wishes, inasmuch as previous letters relative to the pilgrimage have remained unanswered.
