Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

GENERAL INFORMATION REGARDING THE PILGRIMAGE

The entire cost of the Pilgrimage from the time you leave your home until you return thereto will be borne by the United States Government. You will need money only for the purchase of any small articles of a personal nature you may desire to obtain as souvenirs.

Should you decide to make the trip, a formal invitation will be extended you, setting forth the name of the vessel and the date of sailing. If you accept the invitation, an identification badge will be forwarded you shortly before you leave home to wear while on the journey. The wearing of this badge assures you every attention, the railroad personnel rendering special care and assistance to the wearers of this emblem. Your local railroad agent will deliver your Pullman and railroad tickets to you about a week before you leave home, and you will be furnished a detailed schedule of your trip to New York. A check to cover the cost of your meals and incidental expenses to New York will be sent you about two weeks prior to leaving.

Upon arrival in New York you will be met at the station by an officer of the United States Army who will escort you to the hotel at which reservation has been made for you. From that time on you will be under the personal supervision of Army officers and any expenditures that are necessary will be taken care of by them. Competent personnel to care for your comfort and welfare throughout the trip will be provided and doctors and nurses will be available. When you return to New York from Europe, you will be given railroad and Pullman tickets to your home, together with a check to pay for meals and other expenses on the journey, and you will be escorted to the train by an officer.

Somewhat heavier clothing is required in Europe during the summer than is necessary in the United States, and the pilgrims are requested to provide themselves with slightly heavier and warmer clothing than they ordinarily wear at home. That is, at least two pairs of comfortable shoes to provide a change in the event your feet become wet, a pair of rubbers, an umbrella, a full length coat for general wear, and a sweater or some warm wrap to be used should the weather become uncomfortably cool.

The pilgrimage was authorized by Congress in an endeavor to bring a measure of solace and peace to the hearts of the mothers and widows whose loved ones gave their lives in their Country's cause, and it is evident from the many letters received from women who have made the journey that the effort has not been in vain. Approximately six thousand mothers and widows, many of whom were in very poor health and of advanced age, successfully made the pilgrimage during the summers of 1930, 1931 and 1932. The pilgrimages of 1930 and 1931 have been completed, that of 1932 is under way, and arrangements are now being made for conducting the last of these pilgrimages during the summer months of 1933.

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

INSTRUCTIONS FOR FILLING OUT.

1. If definite instructions for the disposition of a body are not received from the next of kin within two weeks of its arrival at New York, burial will be made without further notice in the World War Section of Arlington National Cemetery.
2. The transfer of bodies will be made ENTIRELY at Government expense.
3. This paper MUST BE SIGNED BY THE PERSON WHO IS THE NEXT of kin IN THE ORDER shown in the square on the other side of this sheet.
4. This paper must be returned showing the name and address of each of the nearest next of kin in the spaces provided therefor on the other side of this sheet.
5. If there are minor children of the deceased soldier and no widow, the LEGALLY APPOINTED GUARDIAN of the children should ascertain their wishes and act for them in this matter.
6. If YOU are not the nearest next of kin, please ask the nearest next of kin, if living near you, to fill out this paper.
7. If YOU are not the nearest living next of kin and do not know who or where the nearest relatives are, please fill out this paper AT ONCE and mail to this office.
8. You are requested to return this paper AT ONCE in order to avoid delay in the case of this body.
9. Use the inclosed envelope—pay no postage.

NOTE.—INSTRUCTIONS FOR THE DISPOSITION OF REMAINS will be issued by this office upon the properly executed authority of the legal next of kin in each case. The widow is the first person having disposition of the remains of her husband. Should there be no widow or children, the father and, in turn (upon his decease), the mother, is the proper authority. The brothers, in order of seniority, and then the sisters in order of seniority, if there are no brothers, rank next in authority to decide. Under an opinion rendered by the Judge Advocate General of the Army, if a widow has remarried she forfeits her right, and the next of kin as given above will make decision.
