Dear Madam:

Receipt is acknowledged of your communication of recent date advising that you are unable to make a pilgrimage to the grave of your son, the late Private Frank W. Cochrane, during the summer of 1933.

Properly qualified personnel will be provided to care for the comfort and needs of the mothers and widows, and doctors and nurses will be available. During the past three years many women who were in poor health and of advanced age have visited the cemeteries of Europe and appeared to have benefited by the sea air and the excellent care they received. Should you make the journey you are assured that everything possible will be done for your welfare, and that every consideration will be given your physical condition at all times.

In the event your health improves and you later desire to visit the grave of your son next summer, it is requested you notify this office, and arrangements will be made for you.

Mrs. Cecelia Cochrane,

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

WAR DEPARTMENT
OFFICE OF THE QUARTERMASTER GENERAL OF THE ARMY
WASHINGTON

FROM: The Quartermaster General, U.S. Army, (Cemeterial Division).

TO: The relatives of our dead.

SUBJECT: Participation of patriotic societies in funerals.

1. The American Legion has expressed its desire to render any possible aid and comfort to relatives of our soldier dead returned from Europe for burial at their homes, and to honor their fallen comrades through participation in the funeral ceremonies. To this end the Legion requested this office to furnish the National Headquarters with the names and addresses of next of kin, approximate date of return and other data. This information cannot be furnished to others than relatives of the dead, since it is peculiarly their property and its dissemination to others would be a violation of our obligation to them and to the dead.

2. The desire of the American Legion is brought to your attention in order that, should you wish any aid from the organization or that it participate in the funeral of your soldier dead, you may bring the matter to the attention of the commander of the local post, or if there be no local post, to the attention of the National Adjutant, American Legion, National Headquarters, Meridian Bldg., Indianapolis, Ind.

3. It is understood to be the intention of the National Headquarters, American Legion, in case there is no local post in the immediate vicinity of the intended burial place of any returned soldier's remains, to direct the nearest post to take action on those cases where relatives so request.

4. The American Red Cross desires also to render comfort to the relatives of our dead, through their local chapters, which are in operation in almost every town. We are sure they will be glad to serve whenever they may be called upon.

5. The same is doubtless true concerning the other welfare organizations which were officially recognized during the World War and are still in operation, as well as other military associations which are locally established.

By authority of the Quartermaster General:

CHARLES C. PIERCE,
Colonel, U.S. Army,
Chief, Cemeterial Division.
