War Dept. Officials

Dear Sirs

I arrived home safely but suffering from High Blood pressure. While in France Major Howard examined me and said my Blood pressure was 210 and that unless I improved on returning home I should report at the nearest Government Hospital for treatment. I wish you would inform me if I am still entitled to Gov. Hospital privilege. I have had no civilian Dr. as yet. I am from Ft. Sam Houston Post but since moving to Los Angeles I have no idea where I should go if I still get Government treatment. Unless I improve after resting up from my trip I would like to know where to go San Diego or San Francisco. I want to thank our Government for my trip to France to visit my husband grave and wish to express my complete satisfaction on the way our loved ones graves are cared for and wish to express my thanks for the wonderful way we was cared for. Major Carlock taken us over on the S.S. George Washington we had a perfect voyage was met by Col. Ellis and his wonderful aids Capt. Keurman Dr. also Lt. Zwicker whose charge we were in. I wish to say nothing was left undone. We had every care and consideration given us while in France. Major Halpine come and brought us back. We hold the officers in charge of us in our highest esteem. They were wonderful each in his Line of Duty. Thanking each one of our officers in charge for their kind consideration of each of us. I thank all once again. Best wishes for them all.

Sincerely,

Clara B. Clubb

TO: The Quartermaster General,

1. Attached is a letter received from Mrs. Clara B. Clubb attached to the final report of her arrival at her home. There is also attached a copy of card advising she had reached home safely. It would appear from this that Mrs. Clubb is under the impression that she is entitled to hospitalization for high blood pressure, which undoubtedly is not due to her pilgrimage.

2. The matter is referred to your office for the necessary action and advice to the Pilgrim as to whether or not she is entitled to further treatment at the expense of the Government. No reply has been made by this office.

IN REPLY REFER TO QM 293 A-M
Clubb Harry E (AM)

July 11 1932

Mrs L A Clubb
53 Wentworth St
Charleston S C

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

For The Quartermaster General,

Very truly yours,

WAR DEPT. OFFICIALS

Dear Sirs:

I arrived home safely but suffering from High Blood pressure. While in France Major Howard examined me and said my Blood pressure was 210 and that unless I improved on returning home I should report at the nearest Government Hospital for treatment. I wish you would inform me if I am still entitled to Gov. Hospital Privilege. I have had no civilian Dr. as yet. I am from Ft. Sam Houston Post but since moving to Los Angeles I have no idea where I should go if I still get Government treatment. Unless I improve after resting up from my trip I would like to know where to go San Diego or San Francisco. I want to thank our Government for my trip to France to visit my husband grave and wish to express my complete satisfaction on the way our loved ones graves are cared for and wish to express my thanks for the wonderful way we were cared for. Major Carlock taken us over on the S.S. George Washington we had a perfect voyage was met by C61. Ellis and his wonderful aids Capt. Keuerman Dr. also Lt. Zwicker whose charge we were in. I wish to say nothing was left undone. We had every care and consideration given us while in France. Major Halpine come and brought us back. We hold the officers in charge of us in our highest esteem. They were wonderful each in his Line of Duty. Thanking each one of our officers in charge for their kind consideration of each of us. I thank all once again. Best wishes for them all.

Sincerely,

Dear Madam:

Your letter of July 24, 1930, addressed to the Officer in Charge, Pilgrimage, Mothers and Widows, New York, in which you express your appreciation of the pilgrimage which you made recently to the grave of your husband, the late Sergeant Harry E. Clubb, has been referred to me for reply.

It is gratifying to know that your trip was entirely satisfactory and that the officers of the Army, as well as others working in connection with the pilgrimage, rendered such courteous and efficient service. The Quartermaster Corps is proud of the honor bestowed upon it by being charged with the conduct of the pilgrimages and has expended every effort that those making the journey might have a comfortable and pleasant trip. I feel, however, that the task has been materially lightened by the wonderful spirit of cooperation and consideration shown by the mothers and widows.

You are assured that the Alsace-Marne American Cemetery will always be maintained in the same fine condition in which you found it, as it will be the constant effort of the Quartermaster Corps to make the American cemeteries abroad fitting resting places for the heroes who are buried in them.

I regret very much, indeed, to learn that you suffered from high blood pressure while you were on the pilgrimage and sincerely hope that your condition is much improved by this time. While there is no law authorizing medical aid for the widows of soldiers of the United States Army, it is suggested that you get in touch with the Surgeon at the Post Hospital at Fort McArthur, California, who may be able to assist you.

Sincerely yours,

J. L. DEWITT,
Major General,

1. Attached is a letter received from Mrs. Clara B. Clubb attached to the final report of her arrival at her home. There is also attached a copy of card advising she had reached home safely. It would appear from this that Mrs. Clubb is under the impression that she is entitled to hospitalization for high blood pressure, which undoubtedly is not due to her pilgrimage.

2. The matter is referred to your office for the necessary action and advice to the Pilgrim as to whether or not she is entitled to further treatment at the expense of the Government. No reply has been made by this office.

Dear Madam:

The following instructions prepared by the Secretary of State contain the necessary instructions to be followed by you in obtaining the passport or travel document to be utilized in connection with your pilgrimage to the cemeteries in Europe. Please read the directions carefully and call in person upon the nearest Passport Agent or clerk of a Federal or State court having jurisdiction to naturalize aliens. Passport Agencies are located in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle. In large cities there are usually two or more courts and at each county-seat a state court authorized to accept these passport applications.

When you make this call be sure to take with you the four photographs called for in the instructions together with your invitation as a means of identification. You should take with you to the passport office at this time a friend who is an American citizen and who has known you for several years. The passport Agent or clerk of the court will mail your application to the Secretary of State in Washington, D. C., who will issue the passports and travel documents and will deliver them to The Quartermaster General to be held by him until your arrival in New York.

The instructions prepared by the Secretary of State are as follows:

"A mother or widow who owes allegiance to the United States must apply to the Department of State for a Special Pilgrimage Passport through a Passport Agent or through a clerk of a Federal court or State court having jurisdiction to naturalize aliens and on the form prescribed by that Department. When making application, she should be accompanied by a credible witness who is an American citizen and who has known her for a period of two years or more. With her application she should submit four photographs on a light background and on thin paper not more than 3x3 inches in size not less than 2½x2½ inches in size and such documentary

evidence of her American citizenship as she may have in her possession. In the absence of evidence of citizenship, her application should be witnessed by a credible person residing in the same community who is an American citizen, has known her for a long period of time and is able to swear to the best of his or her knowledge and belief that she is a citizen of the United States.

"A mother or widow who does not owe allegiance to the United States must apply to the Department of State for a Pilgrimage Travel Document through a clerk of a Federal court or a State court having jurisdiction to naturalize aliens or through a Passport Agent upon the form of application prescribed for that purpose, entitled APPLICATION FOR A PILGRIMAGE TRAVEL DOCUMENT, issued under the Act of March 2, 1929, submitting therewith four photographs on a light background and on thin paper not more than 3 x 3 inches in size and not less than 2½ x 2½ inches in size. When making application she should be accompanied by a credible witness who has known her for a period of two years or more.

"The Act of March 2, 1929, provides that no fee shall be charged for the execution of an application for a passport or travel document or for the issue of a passport or travel document to a mother or widow making a pilgrimage to the cemeteries of Europe in which deceased soldiers, sailors, and marines of the American forces are now interred.

"Special Pilgrimage Passports and Pilgrimage Travel Documents when issued by the Department of State will be forwarded to the War Department.

"Applicants resident in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle should execute applications at the Passport Agencies in those cities."

Mrs. Harry Clubb,
Box 1376, Station C,
Los Angeles, Calif.

Dear Madam:

Receipt is acknowledged of your letter of February 18, 1950, relative to the pilgrimage authorized by Congress in the Act approved March 2, 1929.

In this connection you are informed that as the State of California is number thirteen on the list, which is being used as a basis for determining the time the various groups will make the pilgrimage, it is believed that the mothers and widows from California will be invited to make the pilgrimage this summer, sailing in all probability during the month of June.

With reference to your inquiry regarding a cash allowance for those eligible mothers and widows who are unable to make the pilgrimage, you are informed that while a bill which would have this effect has been introduced, it has not been acted on by the Congress and is not a provision of the present law.

Section 2 (e) of the Act provides that the pilgrimage "shall be by the shortest practicable route and for the shortest practicable time, to be designated by the Secretary of War." In view of this provision, a stop-over in Washington enroute to Europe cannot be permitted. Should you wish to stop over in Washington after your return from Europe and your departure from New York, as this can in no way interfere with the orderly arrangement of the conduct of the pilgrimage, there is no objection to granting you this privilege provided the expense to the United States Government is not increased thereby. Before leaving New York City, each mother and widow will be provided with a railroad ticket covering transportation to her home, including sleeping car or Pullman car accommodations as her individual case may

require, together with a per diem allowance to cover all other necessary expense of travel for the actual time required to make the trip from New York City to her home. A stop-over in Washington or at any other point would necessarily be at her own expense.

For The Quartermaster General.

Dear Madam:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the widow of the late **Sergeant Harry E. Clubb, 3rd Co., Trench Mortar Battery, whose remains are now interred in the Aisne Marne American Cemetery, Belleau, Aisne, France.**

Will you please advise this office whether or not he is survived by a mother who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish her full name and address in order that action may be taken to extend an invitation to her to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Your attention is particularly invited to Section 4 of the enclosed Act, which defines the terms "mother" and "widow". If the relationship is that of a stepmother, mother through adoption or a woman who stood in loco parentis to the decedent, a statement as to her relationship is requested. In case you have remarried it is also requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

Your letter of July 24, 1930, addressed to the Officer in Charge, Pilgrimage, Mothers and Widows, New York, in which you express your appreciation of the pilgrimage which you made recently to the grave of your husband, the late Sergeant Harry E. Clubb, has been referred to me for reply.

It is gratifying to know that your trip was entirely satisfactory and that the officers of the Army, as well as others working in connection with the pilgrimage, rendered such courteous and efficient service. The Quartermaster Corps is proud of the honor bestowed upon it by being charged with the conduct of the pilgrimages and has expended every effort that those making the journey might have a comfortable and pleasant trip. I feel, however, that the task has been materially lightened by the wonderful spirit of cooperation and consideration shown by the mothers and widows.

You are assured that the Aiene-Marne American Cemetery will always be maintained in the same fine condition in which you found it, as it will be the constant effort of the Quartermaster Corps to make the American cemeteries abroad fitting resting places for the heroes who are buried in them.

I regret very much, indeed, to learn that you suffered from high blood pressure while you were on the pilgrimage and sincerely hope that your condition is much improved by this time. While there is no law authorizing medical aid for the widows of soldiers of the United States Army, it is suggested that you get in touch with the Surgeon at the Post Hospital at Fort McArthur, California, who may be able to assist you.

Sincerely yours,

J. L. DEWITT,
Major General,

SUBJECT: Health of Pilgrims.

TO: The Quartermaster General,
Washington, D. C.

1. Attached is a letter received from Mrs. Clara B. Clubb attached to the final report of her arrival at her home. There is also attached a copy of card advising she had reached home safely. It would appear from this that Mrs. Clubb is under the impression that she is entitled to hospitalization for high blood pressure, which undoubtedly is not due to her pilgrimage.

2. The matter is referred to your office for the necessary action and advice to the Pilgrim as to whether or not she is entitled to further treatment at the expense of the Government. No reply has been made by this office.

Dear Madam:

The following instructions prepared by the Secretary of State contain the necessary instructions to be followed by you in obtaining the passport or travel document to be utilized in connection with your pilgrimage to the cemeteries in Europe. Please read the directions carefully and call in person upon the nearest Passport Agent or clerk of a Federal or State court having jurisdiction to naturalize aliens. Passport Agencies are located in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle. In large cities there are usually two or more courts and at each county-seat a state court authorized to accept these passport applications.

When you make this call be sure to take with you the four photographs called for in the instructions together with your invitation as a means of identification. You should take with you to the passport office at this time a friend who is an American citizen and who has known you for several years. The passport Agent or clerk of the court will mail your application to the Secretary of State in Washington, D. C., who will issue the passports and travel documents and will deliver them to The Quartermaster General to be held by him until your arrival in New York.

The instructions prepared by the Secretary of State are as follows:

"A mother or widow who owes allegiance to the United States must apply to the Department of State for a Special Pilgrimage Passport through a Passport Agent or through a clerk of a Federal court or State court having jurisdiction to naturalize aliens and on the form prescribed by that Department. When making application, she should be accompanied by a credible witness who is an American citizen and who has known her for a period of two years or more. With her application she should submit four photographs on a light background and on thin paper not more than 3x3 inches in size not less than 2½x2½ inches in size and such documentary

evidence of her American citizenship as she may have in her possession. In the absence of evidence of citizenship, her application should be witnessed by a credible person residing in the same community who is an American citizen, has known her for a long period of time and is able to swear to the best of his or her knowledge and belief that she is a citizen of the United States.

"A mother or widow who does not owe allegiance to the United States must apply to the Department of State for a Pilgrimage Travel Document through a clerk of a Federal court or a State court having jurisdiction to naturalize aliens or through a Passport Agent upon the form of application prescribed for that purpose, entitled APPLICATION FOR A PILGRIMAGE TRAVEL DOCUMENT, issued under the Act of March 2, 1929, submitting therewith four photographs on a light background and on thin paper not more than 3 x 3 inches in size and not less than 2½ x 2½ inches in size. When making application she should be accompanied by a credible witness who has known her for a period of two years or more.

"The Act of March 2, 1929, provides that no fee shall be charged for the execution of an application for a passport or travel document or for the issue of a passport or travel document to a mother or widow making a pilgrimage to the cemeteries of Europe in which deceased soldiers, sailors, and marines of the American forces are now interred.

"Special Pilgrimage Passports and Pilgrimage Travel Documents when issued by the Department of State will be forwarded to the War Department.

"Applicants resident in Boston, Chicago, New Orleans, New York City, San Francisco and Seattle should execute applications at the Passport Agencies in those cities."

Clabb, Harry E. 1764-W

March 21, 1930

Mrs. Clara B. Clabb,
Box 1376, Station C,
Los Angeles, Calif.

Dear Madam:

This letter, which contains general information regarding the pilgrimage to the cemeteries of Europe, is being sent to each mother and widow who has expressed a desire to make the pilgrimage during the calendar year 1930. The general plan for the conduct of the pilgrimage is shown in the Pilgrimage Regulations, a copy of which is enclosed herewith. In addition to the information shown in the regulations, the following explains in detail some of the most important things connected with the pilgrimage.

Formal invitations are being extended to each mother and widow who has expressed a desire to make the pilgrimage during 1930. In so far as practicable, these invitations are being extended with a view to keeping the women from each state together and the order in which the invitations to the women from the several states are issued is based on a drawing by lot which was held about one month ago. Inclosed with each invitation is a card for acknowledgment and it is quite important that you accept or decline this invitation promptly in order that the necessary railroad, steamship and hotel reservations may be arranged. The government will defray all the necessary expenses of the pilgrimage, including railroad fare, hotel accommodations, steamship fare and all other incidental expenses. It will not provide anything other than the necessary expenses so that you should bring with you such funds as you may desire to use for making small purchases and for other uses distinctly of a personal nature.

Arrangements have been made with the American Railroad Association which assures us the united support and cooperation of all of the railroads in the United States in handling the movement to and from New York City. The local ticket agent will secure your railroad and sleeper ticket and will make the necessary pullman reservations. Before your departure from your home we will mail you a check, sufficient to pay for your meals and other travelling expenses while enroute to New York. Your railroad ticket will provide for a round trip from your home to New York and upon arrival in New York the army officer in charge of the New York office will collect the return trip stub and hold it until your return to New York from Europe.

Upon arrival in New York, you will be met by an army officer

and escorted to a first class hotel where reservations have been made. The duration of your stay in New York will be from 24 to 48 hours. At the proper time, you will be escorted to the steamship upon which passage has been engaged for Europe. All of the women making this trip will be provided with cabin class accommodations aboard steamers which means that from two to four will be quartered in the same stateroom. If you have any friend that you would like to be quartered with we will endeavor to arrange it if you will communicate with this office.

The ocean voyage will last about 8 days and when the ship docks at Cherbourg, France, each party will be met by officers especially detailed for the purpose and taken in a special train to Paris where first class hotel accommodations have been reserved. The first day in Paris will be a day of rest. On the 2d day, the women of each party will place a wreath on the tomb of the French unknown soldier. In the afternoon there will be a reception in which the French war mothers, government officials, and prominent civilians will participate. The following morning the groups going to the different cemeteries will leave Paris, travelling in motor busses, and proceed to the cemeteries where they will remain for about 7 days. Twenty-five women will be assigned to each bus and an army officer will have charge of the bus. The itineraries to and from the cemeteries and the daily itineraries while at the cemeteries have been varied so as to take in points of historical interest as well as some parts of the battlefields where American troops were engaged. Upon return to Paris, each party will remain for about 5 days and during this time an opportunity will be given to see the points of historical interest in Paris and vicinity. The entire duration of your stay in Europe will be 14 days, and the itineraries have been so arranged that each day will be provided for. Except in case of illness or other unavoidable cause it will not be possible for any woman making the pilgrimage to remain in Europe for a longer period than 14 days nor to leave the party with which she is travelling unless she is prepared to pay all of her expenses after leaving the party since the Act of Congress authorizing the pilgrimage specifically states that the government shall not pay the expenses of any woman who willfully leaves her party.

Upon return to the United States each ship will be met in New York City by army officers who will escort the mothers and widows to the trains which will take them home. Before leaving New York each woman will be provided with her return railroad ticket, a sleeping car ticket and funds to cover the cost of meals and other travelling expenses.

Army officers are being used as guides and escorts throughout this entire movement and care has been taken to select officers who will see that proper care is taken of the women who are entrusted to their charge. Arrangements have been made for taking care of women who may be taken sick during the pilgrimage and also to care for the remains of any who may die and provision has been made for returning the remains of any who may die to their homes. It is essential that each woman making the pilgrimage furnish The Quartermaster General with an emergency address of some relative or friend to be notified in the event of an emergency. Medical care will be provided by civilian agencies. If such care is needed in New York City it will be furnished by the hotel physicians or

by local hospitals. Aboard ship, medical care will be provided by the ship's doctors and in Paris arrangements have been made with the American Hospital for the hospitalization and treatment of any women who may need it. In addition to this, six doctors of the regular army will be on duty throughout the pilgrimage.

Baggage will be limited to not to exceed two pieces of hand baggage and the articles taken should be such as will be required for a trip of about one month. Laundry service can be obtained in New York and Paris. Since the climate of Europe is much colder than that of the United States, each woman should provide herself with sufficient warm clothing to stand the motor bus trip and the visit to the cemeteries.

Since it is necessary for this office to make all reservations for your accommodations throughout this pilgrimage, it will be greatly appreciated if you will make prompt reply to any communications received from this office.

For The Quartermaster General:

Very truly yours,

A. D. HUGHES,
Captain, Q. M. Corps,

March 1, 1930.

Mrs. Harry Clubb,
Box 1576, Station C,
Los Angeles, Calif.

Dear Madam:

Receipt is acknowledged of your letter of February 18, 1930, relative to the pilgrimage authorized by Congress in the Act approved March 2, 1929.

In this connection you are informed that as the State of California is number thirteen on the list, which is being used as a basis for determining the time the various groups will make the pilgrimage, it is believed that the mothers and widows from California will be invited to make the pilgrimage this summer, sailing in all probability during the month of June.

With reference to your inquiry regarding a cash allowance for those eligible mothers and widows who are unable to make the pilgrimage, you are informed that while a bill which would have this effect has been introduced, it has not been acted on by the Congress and is not a provision of the present law.

Section 2 (e) of the Act provides that the pilgrimage "shall be by the shortest practicable route and for the shortest practicable time, to be designated by the Secretary of War." In view of this provision, a stop-over in Washington enroute to Europe cannot be permitted. Should you wish to stop over in Washington after your return from Europe and your departure from New York, as this can in no way interfere with the orderly arrangement of the conduct of the pilgrimage, there is no objection to granting you this privilege provided the expense to the United States Government is not increased thereby. Before leaving New York City, each mother and widow will be provided with a railroad ticket covering transportation to her home, including sleeping car or Pullman car accommodations as her individual case may

require, together with a per diem allowance to cover all other necessary expense of travel for the actual time required to make the trip from New York City to her home. A stop-over in Washington or at any other point would necessarily be at her own expense.

For The Quartermaster General.

Very truly yours,

A. D. HUGHES,

Assistant.

Mrs. Beatrice Clubb, 809 Crosby St., San Antonio, Texas.

Disposition of Remains - Sgt. Harry Clubb, Serial 1112515,
Company, 3rd Trench Mortar Battery.

1. Receipt is acknowledged of your request to have the remains of your husband, the late Sergeant Harry Clubb, transferred to a permanent American Cemetery in France, wherein the graves of all American soldier dead will remain under the care and custody of the United States Government.

2. It is hoped that you will appreciate the vast amount of work involved and the length of time necessary to make the transfer of all bodies overseas, either to permanent American cemeteries or to return such bodies and deliver same to the relatives in the United States, and that you will realize the seeming delay cannot be prevented owing to labor situations, weather conditions, and the large number of exhumations which must be made.

3. You are further informed that the task of transferring the remains to the permanent cemeteries will be the last phase of the work to be undertaken as concentration will not begin until after the other bodies have been returned.

4. You are assured that the grave site will always be maintained in a manner befitting the dignity of its purpose and will be marked with an appropriate headstone as a memorial of the late soldier's sacrifice in the cause of Humanity. After the scattered graves have long been obliterated, these permanent cemeteries will stand in beauty and dignity and as shrines to which future generations will come in homage. The permanent grave location will be furnished you as soon as the transfer has been made.

1. This office wishes to advise you that the American Hospital Cemetery at Mouroux, Seine-et-Marne, France, in which the body of your husband, the late Sergeant Harry Clubb, is now buried, will not be retained by the United States Government as one of its permanent cemeteries in France. It has been necessary to abandon this cemetery, because a large proportion of the bodies have been returned to this country, leaving the remaining graves widely scattered throughout the entire cemetery. Under such conditions it has been found advisable to transfer these bodies to the cemeteries which are to be maintained by our Government, unless the nearest of kin desires the body returned to the United States.

2. Please advise this office by return mail (1) whether you desire his body returned to the United States and (a) shipped to you or (b) to the National Cemetery at Arlington, Virginia, the Government bearing the expense; (2) transferred to a permanent French Military Cemetery, the next of kin to assume all responsibilities and obligations in connection with the up-keep of the grave after the transfer is made; or (3) whether you would now be willing to have this Government transfer the body to one of its permanent American cemeteries in France, wherein you are assured that the grave site will always be carefully and tenderly maintained as a fitting memorial of the late soldier's sacrifice and an appropriate headstone will be erected to mark his resting place therein.

3. In the event you desire the body returned to the United States for private burial, you are informed that the War Risk Insurance Bureau, Washington, D.C., will allow reimbursement, not to exceed \$100, upon presentation of an itemized statement, or receipted bills to cover charges incident to the removal of the body from the railroad station and the actual funeral expenses.

Disposition of Remains - Sgt. Harry Clubb, Serial 1112515,
Company, 3rd Trench Mortar Battery.

1. Receipt is acknowledged of your request to have the remains of your husband, the late Sergeant Harry Clubb, transferred to a permanent American Cemetery in France, wherein the graves of all American soldier dead will remain under the care and custody of the United States Government.

2. It is hoped that you will appreciate the vast amount of work involved and the length of time necessary to make the transfer of all bodies overseas, either to permanent American cemeteries or to return such bodies and deliver same to the relatives in the United States, and that you will realize the seeming delay cannot be prevented owing to labor situations, weather conditions, and the large number of exhumations which must be made.

3. You are further informed that the task of transferring the remains to the permanent cemeteries will be the last phase of the work to be undertaken as concentration will not begin until after the other bodies have been returned.

4. You are assured that the grave site will always be maintained in a manner befitting the dignity of its purpose and will be marked with an appropriate headstone as a memorial of the late soldier's sacrifice in the cause of Humanity. After the scattered graves have long been obliterated, these permanent cemeteries will stand in beauty and dignity and as shrines to which future generations will come in homage. The permanent grave location will be furnished you as soon as the transfer has been made.

Subject: Disposition of Remains, Sgt. Harry Clubb, Serial 1112515,
Company, 3rd, Trench Mortar Battery.

1. This office wishes to advise you that the American Hospital Cemetery at Mouroux, Seine-et-Marne, France, in which the body of your husband, the late Sergeant Harry Clubb, is now buried, will not be retained by the United States Government as one of its permanent cemeteries in France. It has been necessary to abandon this cemetery because a large proportion of the bodies have been returned to this country, leaving the remaining graves widely scattered throughout the entire cemetery. Under such conditions it has been found advisable to transfer these bodies to the cemeteries which are to be maintained by our Government, unless the nearest of kin desires the body returned to the United States.

2. Please advise this office by return mail (1) whether you desire his body returned to the United States and (a) shipped to you or (b) to the National Cemetery at Arlington, Virginia, the Government bearing the expense; (2) transferred to a permanent French Military Cemetery, the next of kin to assume all responsibilities and obligations in connection with the up-keep of the grave after the transfer is made; or (3) whether you would now be willing to have this Government transfer the body to one of its permanent American cemeteries in France, wherein you are assured that the grave site will always be carefully and tenderly maintained as a fitting memorial of the late soldier's sacrifice and an appropriate headstone will be erected to mark his resting place therein.

3. In the event you desire the body returned to the United States for private burial, you are informed that the War Risk Insurance Bureau, Washington, D.C., will allow reimbursement, not to exceed \$100, upon presentation of an itemized statement, or receipted bills to cover charges incident to the removal of the body from the railroad station and the actual funeral expenses.

1. In reply to your letter of August 25, 1920, you are advised that the records of this office do not, at this time, show the confirmed grave location of this soldier, it is, therefore, necessary to institute a detailed investigation of this case, the result of which may not be reached for quite some time. At least forty-five or sixty days will elapse before a further reply can be made to you. This delay is due to the stress of work in this office and the detailed search of records involved in each case of this nature in order to determine grave location. It is often necessary to communicate with the Chief, American Graves Registration Service, Q. M. C. in Europe, before final action can be taken.

WAR DEPARTMENT
OFFICE OF THE QUARTERMASTER GENERAL
WASHINGTON

IN REPLY REFER TO QM 293 A-M

Clubb Harry S (AM)

July 11 1932

Mrs L A Clubb
85 Westworth St
Charleston S C

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

For The Quartermaster General,

Very truly yours,

CHAS. W. DIETZ,
Captain, Q. M. Corps,
Assistant.

2 Encls.

DO YOU DESIRE TO MAKE A PILGRIMAGE DURING THE YEAR 1933?
