Mr. Gia Battiste Conedera,  
Agordo,  
Prov. of Belluno, Italy.

Dear Sir: The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,

Dear sir:-

In re attached:

A foreigner handed me the paper sending with information as filled in. Correct name of the one to whom this is sent is Bien Amelio a second cousin of the deceased Umberto Conedera and served in army with him.

All his near relatives-including sixteen children in family- are at address as given.

They being foreigners and quite unable to attend to this matter personally would suggest that No. 3 disposal of body would be the practical and most likely desired course except the dept. would see fit to send the body to their home in Italy. This is merely a suggestion and given solely to aid is disposition of this matter.

Very truly yours,

*R. G. Bee*
