Dear Madam:

Receipt is acknowledged of your letter of recent date relative to the pilgrimage of the Gold Star Mothers and Widows to Europe.

In reply you are informed that the Act of March 2, 1929, provides that an invitation for a pilgrimage shall be extended the mothers and widows of members of the military and naval forces of the United States who are buried in the cemeteries in Europe, but it does not contain any provision which permits of anyone making the pilgrimage in the place of the mother or widow, where the mother is deceased and there is no widow. It is, therefore, regretted to have to advise you that a sister is not eligible under the law to make this pilgrimage.

For The Quartermaster General.

5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No".  
 (b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.
