Mr. John W. Coppage,
Hahira,
Ga.

Dear Sir:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,

Disposition of Remains of Pvt. John G. Coppage, Serial No.
2595865, Ft. Screvens SARD CAC Unit #2.

1. Receipt is acknowledged of your request that the remains of your son, the late Private John G. Coppage, be transferred to the permanent American cemetery which is to be established in the vicinity of London England, and wherein the graves of all American soldier dead will remain under the care and custody of the United States Government.

2. It is hoped that you will appreciate the vast amount of work involved and the length of time necessary to make the transfer of all bodies overseas, either to permanent American cemeteries or to return such bodies and deliver same to the relatives in the United States, and that you will realize that the seeming delay cannot be prevented owing to the labor situations, weather conditions, and the large number of exhumations which must be made.

3. You are further informed that the task of transferring the remains to the permanent cemeteries will be the last phase of the work to be undertaken, as concentration will not begin until after the other bodies have been returned.

4. You are assured that the grave site will always be carefully and tenderly maintained by our Government as a fitting memorial of the late soldier's sacrifice, and this Government will furnish an appropriate headstone to mark the graves in these National cemeteries. The permanent grave location will be furnished you as soon as the body has been transferred.

No. 293.8 Reg. Sec., Cem. Div.
(Coppage, John G.)
From: The Quartermaster General, U.S. Army, (Cemeterial Division.)
To: Mr. John W. Coppage. R.R. #1, Hahira, Ga.
Subject: Disposition of Remains.

1. With reference to your request that the body of your son, the late Private John G. Coppage, serial number 2595865, Fort Screvens, SARD CAC Unit #2, remain in the cemetery at Kilchoman, Scotland, you are advised that requests of this nature are granted, providing the Government is relieved from further care of the grave and the nearest of kin agrees to assume all responsibility for its future care. The Government has been obliged to take this action so as to place the isolated graves in Europe on the same footing with the private graves in the United States. It will be seen that it will be next to impossible for the Government to care for the vast number of graves that are scattered about over Europe.

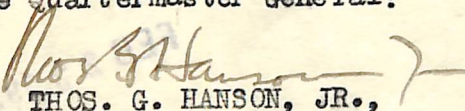

2. Inasmuch as the records of this office indicate your desire to have the body remain in its present grave, it is requested that you accomplish and return to this office the enclosed Graves Registration Service Form #123.

3. If on the other hand you would now be willing to have the remains removed, you are advised that it is contemplated to maintain a permanent American cemetery near London and that the body may be placed therein and the grave perpetually cared for by the Government.

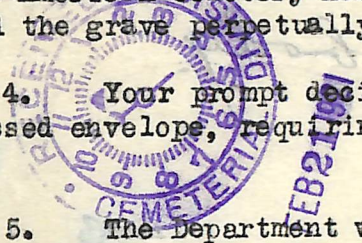

4. Your prompt decision will be greatly appreciated, and a self addressed envelope, requiring no postage, is enclosed for that purpose.

5. The Department wishes to renew its previous expression of sympathy in your bereavement.
