Mrs. Celia Corey,

R.P.D. #2

Paris, Mich.

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

Dear Madam:

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,

Assistant.

Disposition of remains.

1. The records of this office indicate that you have requested that the body of your son, the late Private Roy D. Corey, Battery E, 328th Field Artillery, remain permanently buried in its present resting place, in Grave 116, Camp-de-Coetquiden American Cemetery, St.Malo-de-Beignon, Department of Morbihan. This is a temporary American Cemetery and will be abandoned, therefore, it is necessary that the body of the deceased be moved.

2. The body may be moved to the nearest permanent French Cemetery in which event, it will be necessary for you to execute and return to this office the inclosed release which relieves the Government of the responsibility for the future care and maintenance of the grave.

3. In the event you do not desire to assume this responsibility, the body may then be removed to a permanent American Cemetery in France, where the grave will be perpetually maintained by the Government in the same manner as the graves of our soldier dead are maintained in National Cemeteries in this country. Your attention in this connection is invited to paragraph 9, of the inclosed Cemeterial Division Bulletin No.10-G-W.

4. In view of the above information it is desired that this office be immediately advised of your wishes with respect to the final disposition of these remains.
