The Quartermaster, Philadelphia, Pa.

General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

Dear Madam:

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Graves Registration Service,

Dear Sir:

About one month ago we received your letter containing three (3) photographs of my Brother's grave in France. I would thank you to extend to the American Red Cross Society, my sincere thanks for same.

It is indeed a wonderful work, that of trying to bring some consolation into the hearts of those who have lost a loved one in the Great War, and while the photographs bring back certain sad memories, they are in all, a story without words, and are a mute recognition of the service performed by our Boys in America's greatest Conflict.

Again, in appreciation, let me thank you and your associates for the interest you have taken in behalf of our Boys and their loved ones.

Very sincerely yours,

Marguerite M. Corrigan
