Dear Madam:

Receipt is acknowledged of your letter of January 21st, relative to the pilgrimage you have been invited to make to the grave of your son, the late Private Charles B. Cottone, sailing May 17th on the LEVIATHAN, together with form letter requesting stopover of 90 days at Palermo, Italy.

In the event you are unable to make the pilgrimage with the group of mothers and widows sailing May 17th, arrangements can be made for you to sail June 28th on the LEVIATHAN. It is requested that you advise this office at the earliest practicable date whether you desire to sail May 17th or June 28th, in order that arrangements may be made for you.

With reference to your desire to make a stopover in Italy, you are advised there is no provision of law which will permit the Government to bear any part of the expense of a mother or widow in Europe beyond the duration of the pilgrimage. The passport of each mother and widow is limited to the duration of the pilgrimage, and no extension of time can be granted except upon the condition that all further expenses of the trip, including return transportation, are borne from private funds. The group of mothers and widows with whom you will make the pilgrimage will remain in France 16 days. It is therefore regretted to advise that arrangements cannot be made for you to stopover in Italy for 90 days.

It is possible, however, that arrangements may be made for you to visit in Palermo for a few days, provided you return in time to sail with your group. Upon your arrival in Paris, it

is suggested you take the matter up with the Officer in Charge, Mothers and Widows Pilgrimage in Europe, 146 Avenue des Champs Elysees, who will aid you in every way possible to arrange for your transportation to and from Palermo. Should you make this side trip, however, it must be understood that all expenses incurred thereby must be borne personally.

In order that the records of this office may be complete and correct, it will be greatly appreciated if you will advise whether or not the late Private Cottone was married and is survived by a widow, and if so, her name and address. For your convenience in replying, there is enclosed, herewith, a self-addressed envelope, which requires no postage.

Mrs. Mary Cottone,

Brooklyn, New York.

Dear Madam:

Receipt is acknowledged of your letter of June 7, 1931, relative to your desire to have your husband and son accompany you on the pilgrimage to the grave of your son, the late Private Charles B. Cottone.

Please be advised there is no provision of law which would permit the Government to bear any part of the expense of anyone accompanying you on the journey, to provide them with medical attention or assume any responsibility for them.

However, arrangements can be made for your son and husband to be with you on the journey provided reservations for cabin class accommodations equal to those furnished you are arranged for and first class accommodations in Europe are secured by them. Transportation to and from the cemeteries and sightseeing in and around Paris are accomplished by busses which are chartered by the Government for official use only and it would not be possible for this office to authorize transportation of your relatives in these busses.

Should your husband and son desire to accompany you at personal expense, it is suggested that they communicate with the United States Lines 45 Broadway, New York City, who will furnish complete information as to steamship fares and reservations. As stated above reservation should be made for cabin class accommodations. It is understood the American Express Company, 1414 F Street, N. W., Washington, D. C., is prepared to make arrangements for transportation and hotel accommodations in Europe, and is arranging trips which will parallel the routes to be followed in Europe by the mothers and widows so that they will arrive at various points in the itinerary at approximately the same time. It will be necessary of course for your relatives to make their own arrangements with the steamship company and the American Express Company, and in doing so should impress upon them the fact that they desire to travel with you whenever possible and in any event to be quartered at the same hotels in Europe.

In the event your husband and son arrange to make the journey with you, it is requested you so notify this office. This information is necessary so that hotel and steamship accommodations with you (if desired) may be arranged.

It is possible that arrangements may be made for you to visit Italy for a few days, provided you return in time to join your party on the return trip to the United States. Upon arrival in Paris, it is suggested that you get in touch with the Officer in Charge, Pilgrimage of Mothers and Widows in Europe, 146 Avenue des Champs Elysees, who will aid you in every way possible to arrange for your transportation to and from Italy. In the event you make this trip, however, it must be understood that all expenses incurred thereby must be borne from private funds.

Under the provisions of the Act of Congress of March 2, 1929, as amended May 15, 1930, no mother or widow shall be provided for in Europe at Government expense for a period of more than two weeks. The passport of each mother and widow is limited to the duration of the pilgrimage and no extension of time can be granted to persons making the journey, except upon the condition that all further expenses of the trip, including the return steamship and rail transportation be paid by the pilgrim.

It is believed you should feel no hesitancy in making the pilgrimage without your husband and son as competent personnel has been provided to care for the mother and widows from the time of their arrival in New York until their return thereto. Medical attendants and all other necessities have been arranged for and everything possible will be done for the comfort and welfare of the women. During the summer of 1930 many mothers of advanced age and in poor health made the pilgrimage alone and appear to have benefited therefrom.

An invitation to make the pilgrimage on the AMERICA sailing August 12th has been forwarded you under separate cover.

For The Quartermaster General.

A. D. HUGHES,

Dear Madam:

Receipt is acknowledged of your letter of September 19, 1929, relative to the Pilgrimage of the Gold Star Mothers and Widows to Europe.

In reply you are informed that the Act of March 2, 1929 provides that invitations for a pilgrimage shall be extended the mothers and widows of the members of the military or naval forces of the United States who are buried in the cemeteries in Europe, but it makes no provision for any member of the family making the trip other than the mother or widow.

It is therefore regretted to have to advise that your husband is ineligible to make this pilgrimage.

You are assured that competent personnel will be assigned by the War Department to provide for the needs and comfort of those mothers and widows making the pilgrimage, and you will in all probability make friends with the other mothers and widows and thus find congenial companionship during the journey.

Within a reasonable time prior to the beginning of the pilgrimage, (May 1930), blanks will be furnished you upon which to make formal application for the journey. Should your health so improve that you decide later to make the trip, you may indicate in the space provided thereon the time you desire to go.

Dear Madam:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the mother of the late Private Charles B. Cottons, Co. D, 23rd Inf., whose remains are now interred in the Aisne Marne American Cemetery, Belleau, Aisne, France.

Will you please advise this office whether or not he is survived by a widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish her full name and address in order that action may be taken to extend an invitation to her to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

In the event your son was survived by a widow who has since remarried it is requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

Dear Madam:

Receipt is acknowledged of your letter of January 21st, relative to the pilgrimage you have been invited to make to the grave of your son, the late Private Charles B. Cottone, sailing May 17th on the LEVIATHAN, together with form letter requesting stopover of 90 days at Palermo, Italy.

In the event you are unable to make the pilgrimage with the group of mothers and widows sailing May 17th, arrangements can be made for you to sail June 28th on the LEVIATHAN. It is requested that you advise this office at the earliest practicable date whether you desire to sail May 17th or June 28th, in order that arrangements may be made for you.

With reference to your desire to make a stopover in Italy, you are advised there is no provision of law which will permit the Government to bear any part of the expense of a mother or widow in Europe beyond the duration of the pilgrimage. The passport of each mother and widow is limited to the duration of the pilgrimage, and no extension of time can be granted except upon the condition that all further expenses of the trip, including return transportation, are borne from private funds. The group of mothers and widows with whom you will make the pilgrimage will remain in France 16 days. It is therefore regretted to advise that arrangements cannot be made for you to stopover in Italy for 90 days. (D)

It is possible, however, that arrangements may be made for you to visit in Palermo for a few days, provided you return in time to sail with your group. Upon your arrival in Paris, it

Dear Madam:

Receipt is acknowledged of your letter of June 7, 1931, relative to your desire to have your husband and son accompany you on the pilgrimage to the grave of your son, the late Private Charles B. Cottone.

Please be advised there is no provision of law which would permit the Government to bear any part of the expense of anyone accompanying you on the journey, to provide them with medical attention or assume any responsibility for them.

However, arrangements can be made for your son and husband to be with you on the journey provided reservations for cabin class accommodations equal to those furnished you are arranged for and first class accommodations in Europe are secured by them. Transportation to and from the cemeteries and sightseeing in and around Paris are accomplished by busses which are chartered by the Government for official use only and it would not be possible for this office to authorize transportation of your relatives in these busses.

Should your husband and son desire to accompany you at personal expense, it is suggested that they communicate with the United States Lines 45 Broadway, New York City, who will furnish complete information as to steamship fares and reservations. As stated above reservation should be made for cabin class accommodations. It is understood the American Express Company, 1414 F Street, N. W., Washington, D. C., is prepared to make arrangements for transportation and hotel accommodations in Europe, and is arranging trips which will parallel the routes to be followed in Europe by the mothers and widows so that they will arrive at various points in the itinerary at approximately the same time. It will be necessary of course for your relatives to make their own arrangements with the steamship company and the American Express Company, and in doing so should impress upon them the fact that they desire to travel with you whenever possible and in any event to be quartered at the same hotels in Europe.

In the event your husband and son arrange to make the journey with you, it is requested you so notify this office. This information is necessary so that hotel and steamship accommodations with you (if desired) may be arranged.

It is possible that arrangements may be made for you to visit Italy for a few days, provided you return in time to join your party on the return trip to the United States. Upon arrival in Paris, it is suggested that you get in touch with the Officer in Charge, Pilgrimage of Mothers and Widows in Europe, 146 Avenue des Champs Elysees, who will aid you in every way possible to arrange for your transportation to and from Italy. In the event you make this trip, however, it must be understood that all expenses incurred thereby must be borne from private funds.

Under the provisions of the Act of Congress of March 2, 1928, as amended May 15, 1930, no mother or widow shall be provided for in Europe at Government expense for a period of more than two weeks. The passport of each mother and widow is limited to the duration of the pilgrimage and no extension of time can be granted to persons making the journey, except upon the condition that all further expenses of the trip, including the return steamship and rail transportation be paid by the pilgrim.

It is believed you should feel no hesitancy in making the pilgrimage without your husband and son as competent personnel has been provided to care for the mother and widows from the time of their arrival in New York until their return thereto. Medical attendants and all other necessities have been arranged for and everything possible will be done for the comfort and welfare of the women. During the summer of 1930 many mothers of advanced age and in poor health made the pilgrimage and appear to have benefited therefrom.

An invitation to make the pilgrimage on the AMERICA sailing August 12th has been forwarded you under separate cover.

For The Quartermaster General.

Very truly yours,

A. D. HUGHES,

The Act of Congress which provides for pilgrimages to cemeteries in Europe by mothers and widows of members of the military or naval forces of the United States who died in the military or naval service at any time between April 5, 1917 and July 1, 1921, and whose remains are now interred in such cemeteries, all necessary expenses of which pilgrimages are to be paid by the United States Government, requires that the Secretary of War make an investigation and submit the results of such investigation in a report to Congress not later than December 15, 1929. The purpose of the investigation is to determine the total number of mothers and widows entitled to make the pilgrimages, the number of such mothers and widows who desire to make the pilgrimages, the number who desire to make the pilgrimages during the calendar year 1930 and the probable cost of the pilgrimages to be made.

Dear Madam:

Receipt is acknowledged of your letter of September 19, 1929, relative to the Pilgrimage of the Gold Star Mothers and Widows to Europe.

In reply you are informed that the Act of March 2, 1929 provides that invitations for a pilgrimage shall be extended the mothers and widows of the members of the military or naval forces of the United States who are buried in the cemeteries in Europe, but it makes no provision for any member of the family making the trip other than the mother or widow.

It is therefore regretted to have to advise that your husband is ineligible to make this pilgrimage.

You are assured that competent personnel will be assigned by the War Department to provide for the needs and comfort of those mothers and widows making the pilgrimage, and you will in all probability make friends with the other mothers and widows and thus find congenial companionship during the journey.

Within a reasonable time prior to the beginning of the pilgrimage, (May 1930), blanks will be furnished you upon which to make formal application for the journey. Should your health so improve that you decide later to make the trip, you may indicate in the space provided thereon the time you desire to go.
