Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

For The Quartermaster General,

Very truly yours,

Dear Madam:

Reference is made to correspondence forwarded you from this office relative to a pilgrimage to the grave of your son, the late Sergeant Charles F. Coughlin. In reply to a questionnaire you advised that you did not desire to make a pilgrimage during the summer of 1932.

It is noted you previously stated your health was poor and in this connection you are advised that personnel to care for your comfort and needs will be provided, and doctors and nurses will be available. During the past two years many mothers who were in poor health and of advanced age made the pilgrimage and appeared to have benefited by the sea air and the excellent care they received.

In view of the foregoing, should you desire to make the pilgrimage to the grave of your son during the coming summer, it is requested that you notify this office. Should you make a pilgrimage you are assured that the journey will not only be made at the expense of the Government, but that everything possible for your comfort and welfare will be provided.

5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No".

(b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? Items (e) and (f) under the body description are very important and should be very complete. The dental chart is also very important and should be filled in with great care. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

MISSING TEETH

All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus:

DENTURES (PLATES)

Draw diagram of relative size and shape of plate block in teeth attached and indicate retaining clasps on natural teeth with the word "clasp"

7. Show name of person supervising the disinterment and the name and title of the person approving same.

8. Show name of person supervising the reburial and the name and title of the person approving same.

1. In reply to your letter of February 7th 1922, you are advised that the records of this office do not indicate that the remains of the late Sergeant Charles F. Coughlin, Company F, 102nd Infantry have as yet been removed to their final resting place in a permanent American Cemetery in France. Upon receipt of advice from Europe with reference to this matter, you will be duly advised.

2. This office is unable to state just when the transfer will be made as the same is contingent upon the completion of leveling and regrading the ground in the permanent American Cemetery to which the body will be removed, in preparation for permanent burials.

Cancellation of Former Request.

1. In reply to your letter of June 28, 1920, referred to this office by the Treasury Department, you are advised that notation has been made of your desire to cancel your former request that the remains of your son, Sergeant Charles F. Coughlin, Company F, 102nd Infantry, be returned to the United States for final burial, and record has been made of your present wish that the remains of this soldier be permanently interred in France. Instructions will be sent to the Chief, American Graves Registration Service, Q.M.C. in Europe, to have your wishes complied with.

2. It is impossible to grant your request that the remains of your son remain buried in their present grave location inasmuch as the cemetery at Southesme-la-Grande, Department of Meuse, in which the remains of this soldier are interred, is a temporary American cemetery and at the time of concentration, will be abandoned. The remains of soldiers now buried in this cemetery, whose next of kin have requested permanent interment abroad, will be transferred to one of the permanent American cemeteries to be established.
