Attending Surgeon
Rm. 1211
New York, N. Y.

Dear Sir:

Mrs. Dora Cox of Newburg, Iowa has been invited to take a trip to France on the S. S. Leviathan. As per your request I am giving below a general statement of her physical condition.

In 1930 she had her thyroid removed, from which she made good recovery. On June 23, 1931 she had her tonsils removed, from which she recovered very well.

Her present condition is very good, however, she has not more than average endurance and is not a very good walker although she has no injuries or infirmities,--a matter of lack of endurance. However, she will be perfectly able to make this trip.

Very truly yours,

s/n O. F. Parish

Mrs. Dora Cox,
Newburg, Iowa.

Dear Madam:

There are enclosed herewith two tags and four identification pasters which have been prepared for the purpose of protecting your baggage while in transit, and to insure its safe arrival at the hotel where you are to stop in New York City. Please attach the tags to the handle of each piece of your baggage and place a paster on each end of each piece of your baggage before leaving your home.

Upon your arrival in New York City, you will be met at the railroad station by an Army Officer who will be in uniform. During your sojourn in New York before sailing for Europe, and upon your return from Europe, you will stop at the hotel McAlpin, 34th Street and Broadway, New York City.

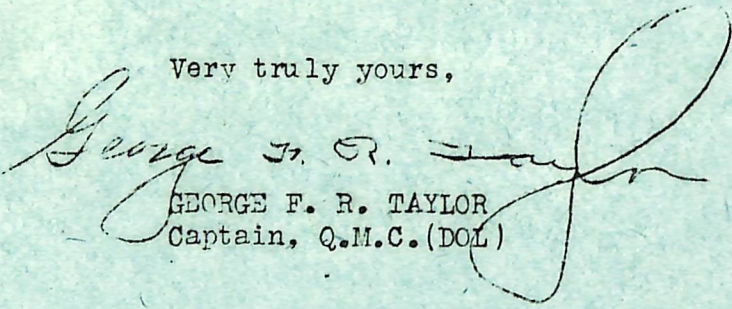

All mail intended to reach you between May 17th, 1932, the day you sail from the United States, and June 9th, 1932, the day you leave Europe, should be addressed to you in care of American Pilgrimage, 146 Avenue des Champs Elysees, Paris, France; for example:

Mrs. Mary Smith,
c/o American Pilgrimage,
146 Avenue des Champs Elysees,
Paris, France.

In making reservations for your journey home from New York City, it is necessary for this office to furnish the railroads with the exact time and date of your departure. The party you are to travel with will be disbanded in New York City on the day following your return from Europe and all arrangements for your accommodations will be made with the railroads by this office accordingly. Upon your return from Europe, it will therefore be necessary for you to remain in the hotel over night as a guest of the United States Government.

There is also enclosed herewith information relative to the cemeteries in Europe.

Very truly yours,

~~CONFIDENTIAL~~

July 1, 1932.

Mrs. Bora Cox,
Newburg, Iowa.

Dear Mrs. Cox:

I thank you for the letter of June 14, 1932, which you and the other mothers and widows visiting the graves of your sons and husbands in the St. Mihiel American Cemetery in France were so kind as to send me in appreciation of the care and attention you received throughout the pilgrimage.

It is indeed gratifying to know that your trip was entirely satisfactory and that the officers of the Army, the nurses and other personnel rendered such courteous and efficient service. The Quartermaster Corps is proud of the honor bestowed upon it by being charged with the conduct of these pilgrimages and has expended every effort that those making the trip might have a comfortable and pleasant journey. I feel, however, that the task has been materially lightened by the wonderful spirit of cooperation and consideration shown by the pilgrims themselves.

The pilgrimage was authorized by Congress in an endeavor to bring a measure of comfort and peace to the hearts of the mothers and widows whose loved ones made the supreme sacrifice in their Country's cause, and it appears from the generous expressions contained in your letter that the effort has not been in vain.

With sincere appreciation of your complimentary remarks regarding the conduct of the pilgrimage, I am

Dear Madam:

Receipt is acknowledged of your letter of March 31st, cancelling your previous request for a stopover at Janestown, N.Y. on your return from a pilgrimage to the St. Mihiel American Cemetery in Europe, sailing from New York on the S.S. LEVIATHAN, May 17, 1932.

Your transportation will be arranged so you may travel from New York directly to your home, eliminating a stopover at Janestown, on your return journey. However, you will be routed via Janestown and in the event that you change your mind and desire to stop over at this point you may do so.

It is noted that you do not advise whether you desire to take the train at Newburg via the M & St L Railroad, thence to Chicago via the Rock Island, which would necessitate a two hour layover and a change of trains at Grinnel, or if you prefer to make your own arrangements for transportation to Grinnel, taking the train from there. It will be appreciated if you will advise your wishes in the matter immediately.

The self-addressed envelope is enclosed for your convenience in replying and does not require postage.

Dear Madam:

Receipt is acknowledged of your request for a stopover at Jamestown, N.Y. on your return from a pilgrimage to the St. Michel American Cemetery in Europe, sailing from New York on the S.S. LEVIATHAN, May 17, 1932, and your letter of March 23rd, advising that your permanent address is Newburg, Ia. and that you live on the M. & St. L. Railroad.

Arrangements for a stopover at Jamestown will be made accordingly which will involve no additional cost to you for either rail or pullman fare. However, all expenses incurred by you during your stay at Jamestown must be paid from your personal funds.

Your transportation can be issued from Newburg to Grinnel via the M. & St. L. Railroad, thence to Chicago via the Rock Island but this will necessitate a change of trains and a two hour layover at Grinnel. As Grinnel is only six miles from your home it is thought you may prefer to make your own arrangements for transportation to Grinnel, taking the train at Grinnel and avoiding the change and layover. Upon receipt of your advice in this matter, this office will be glad to make definite arrangements accordingly. Final transportation arrangements are now being completed for the May 17th sailing and an early response will be appreciated.

The self-addressed envelope is enclosed for your convenience in replying and does not require postage.

Dear Madam:

The Act of Congress which provides for pilgrimages to cemeteries in Europe by mothers and widows of members of the military or naval forces of the United States who died in the military or naval service at any time between April 5, 1917 and July 1, 1921, and whose remains are now interred in such cemeteries, all necessary expenses of which pilgrimages are to be paid by the United States Government, requires that the Secretary of War make an investigation and submit the results of such investigation in a report to Congress not later than December 15, 1929. The purpose of the investigation is to determine the total number of mothers and widows entitled to make the pilgrimages, the number of such mothers and widows who desire to make the pilgrimages, the number who desire to make the pilgrimages during the calendar year 1930 and the probable cost of the pilgrimages to be made.

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

Dear Mrs. Cox:

I thank you for the letter of June 14, 1932, which you and the other mothers and widows visiting the graves of your sons and husbands in the St. Mihiel American Cemetery in France were so kind as to send me in appreciation of the care and attention you received throughout the pilgrimage.

It is indeed gratifying to know that your trip was entirely satisfactory and that the officers of the Army, the nurses and other personnel rendered such courteous and efficient service. The Quartermaster Corps is proud of the honor bestowed upon it by being charged with the conduct of these pilgrimages and has expended every effort that those making the trip might have a comfortable and pleasant journey. I feel, however, that the task has been materially lightened by the wonderful spirit of cooperation and consideration shown by the pilgrims themselves.

The pilgrimage was authorized by Congress in an endeavor to bring a measure of comfort and peace to the hearts of the mothers and widows whose loved ones made the supreme sacrifice in their Country's cause, and it appears from the generous expressions contained in your letter that the effort has not been in vain.

With sincere appreciation of your complimentary remarks regarding the conduct of the pilgrimage, I am

Receipt is acknowledged of your letter of March 31st, cancelling your previous request for a stopover at Jamestown, N.Y. on your return from a pilgrimage to the St. Mihiel American Cemetery in Europe, sailing from New York on the S.S. LEVIATHAN, May 17, 1932.

Your transportation will be arranged so you may travel from New York directly to your home, eliminating a stopover at Jamestown, on your return journey. However, you will be routed via Jamestown and in the event that you change your mind and desire to stop over at this point you may do so.

It is noted that you do not advise whether you desire to take the train at Newburg via the M & St L Railroad, thence to Chicago via the Rock Island, which would necessitate a two hour layover and a change of trains at Grinnel, or if you prefer to make your own arrangements for transportation to Grinnel, taking the train from there. It will be appreciated if you will advise your wishes in the matter immediately.

Receipt is acknowledged of your request for a stopover at Jamestown, N.Y. on your return from a pilgrimage to the St. Michel American Cemetery in Europe, sailing from New York on the S.S. LEVIATHAN, May 17, 1932, and your letter of March 23rd, advising that your permanent address is Newburg, Ia. and that you live on the M. & St. L. Railroad.

Arrangements for a stopover at Jamestown will be made accordingly which will involve no additional cost to you for either rail or pullman fare. However, all expenses incurred by you during your stay at Jamestown must be paid from your personal funds.

Your transportation can be issued from Newburg to Grinnel via the M. & St. L. As Grinnel is only six miles from your home it is thought you may prefer to make your own arrangements for transportation to Grinnel, taking the train at Grinnel and avoiding the change and layover. Upon receipt of your advice in this matter, this office will be glad to make definite arrangements accordingly. Final transportation arrangements are now being completed for the May 17th sailing and an early response will be appreciated.

Dear Sir:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the father of the late Private Emery M. Cox, Co. A, 360th Inf., whose remains are now interred in the St. Mihiel American Cemetery, Thiaucourt, Meurthe-et-Moselle, France.

Will you please advise this office whether or not he is survived by a mother or widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish the full names and addresses of the mother and widow in order that action may be taken to extend invitations to them to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Mr. David L. Cox,
Newburg,
Iowa.

Dear Sir: The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,

FROM : The Chief, Graves Registration Service, Hdqrs. S.O.S., A.E.F.

TO : Chaplain
 (Sub-Inspector, Graves Registration Service).

SUBJECT: Information, G.R.S.

1. Paragraph 7 (k) G.O. 30, G.H.Q., A.E.F., 1918, designates all Chaplains in the American Expeditionary Forces as "Sub-Inspectors" of the Graves Registration Service. It is necessary for the maintenance of records in this office that all Chaplains be familiar with the method of procedure to be observed in reporting the death and burial of members of the A.E.F. Enclosed, you will find copy of G.R.S. Bulletin No. 8, 1918, and sheets of Decisions and Specifications, which will furnish you with the necessary information for the proper performance of your duties in this connection.

2. We are also this date sending you one hundred Grave Location Blanks, which are to be submitted in duplicate in the case of each burial.

3. For your further information, you are advised that this office has nothing to do with actual burials. This is a Service for the identification, registration and marking of graves, and for the acquisition, maintenance and control of cemeteries. Quartermasters are ordinarily responsible for arrangements for burials, but Chaplains are now also charged with specific duties in connection with the same. The operation of the two classes of officers in these matters will doubtless be coordinated within the regiment or separate command, in the absence of orders from higher authority.

4. Without your cooperation, it will be impossible for this office to maintain an accurate roster of Chaplains. You are requested to acknowledge the receipt of this letter; at the same time, forwarding your full name, rank and denomination, if you have not already done so, and any other information that will enable us to complete our files.

5. It is also desired, in the interest of good service, that you notify this office, whenever possible, in case of your transfer to any other regiment or organization, so that our card index may be reliable, and important information, instructions, &c., may reach you in the shortest possible time.

1. The American Newspapers have announced the death of Captain Tom P. Kester but the parents have received no other information regarding his death, and have written us asking to find out where he is buried. Captain Kester was at one time attached to the S.O.S. at St. Nazaire and was later reported to be with the Engineers Reserve Corps.

2. The father of prvt. Emry M. Cox, Co. A. 360 Infantry, received a wire stating that his son was killed in action Sept. 12th. He wishes us to locate the grave and send them a picture if possible.

if you can give us the information desired by the parents in the above requests, we will greatly appreciate it.

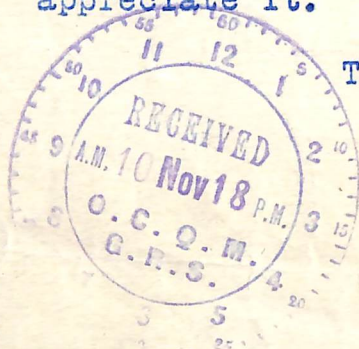

Thanking you in advance, believe me

Very truly yours,

W.S. Barker, Colonel.

Mr. D. L. Cox,
Box 32,
Newburg, Iowa.

Dear Sir:

Acknowledging the receipt of your letter of March 31, 1919, relative to the death of your son, Emery M. Cox, formerly Private, Co. A, 360th Infantry, I beg leave to advise you that he was killed in action by shell fire September 12, 1918. At the time of your son's death his commanding officer was Captain Charles E. Delario who was killed in action November 2, 1918.

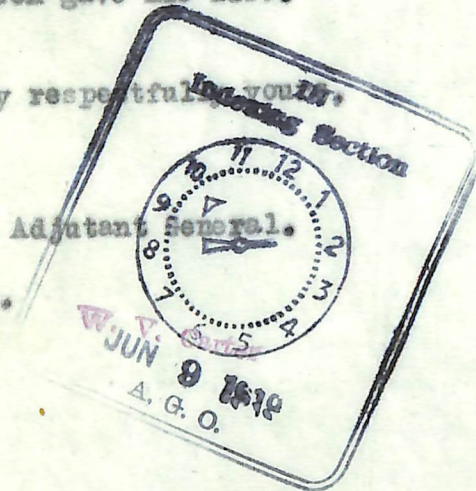

There are no funds at the disposal of the War Department, from which to pay the expenses of relatives and friends to visit graves of our deceased soldiers.

It is desired to express to you the deep sympathy of the Department on account of the great loss you have sustained and to commend you for the contribution you have made to the cause for which your son gave his life.

Very respectfully,
In closing

The Adjutant General.

Per.

Dear Sir,
I am in receipt of your
letter of inquiry as to the
disposition of our Son's body.
I have decided to leave it
in France on the Field of
Honor, we feel that we could
not do better than this Gov-
ernment and that of France
would do, in this letter I am
asking some favors of you,
I do not know as to you being
a Father, but I am satisfied
if you were in my place
you would want to know
all you could possibly learn.
