Dear Madam:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the sister of the late Pvt. Sameul Tampkin, Co. E, 147th Inf., whose remains are now interred in the Meuse-Argonne American Cemetery, Romagne-sous-Montfaucon, Meuse, France.

Will you please advise this office whether or not he is survived by a mother or widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish the full names and addresses of the mother and widow in order that action may be taken to extend invitations to them to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Your attention is particularly invited to Section 4 of the enclosed Act, which defines the terms "mother" and "widow". If the relative is a stepmother, mother through adoption, or any woman who stood in loco parentis to the decedent, a statement as to her relationship is requested. If he was survived by a widow who has since remarried it is also requested that a statement to that effect be made.

For your reply, you may use the enclosed envelope which requires no postage.

SUBJECT: Place of Burial:

Pvt. Samuel Tampkin, Co. E 147th Inf.
Died October 1, 1918.
French Cemetery, Blercourt-Meuse, France.

I am sure that you will pardon the use of a form letter such as we are sending to-day, when you try to realize under what great stress this office is working in order to give as prompt advice as possible concerning facts which are of such very vital importance to our sorrowing friends, whose brave men have suffered martyrdom on battle-fields within our sphere of European operation.

It is with great sorrow that I am writing you, and only the urgency of your desire to know, prompts me to push forward this notification when my note is required to be so formal because of the great number to which my name has to be signed.

You have probably already received official advice concerning the death of the one whom you gave to your country and the world for the saving of civilization.

You will be comforted in knowing that his body has been recovered, that it lies buried in a spot which is under our care and control, and that there will be no danger of its loss or neglect.

We are sending you, herewith, a note which gives general answers to a number of questions which our bereaved friends are often asking, and it will probably give information concerning some of the things you are anxious to understand.

Please be sure of our earnest desire to guard your interests in every possible way, and our satisfaction in being able to care for the resting places of our dead.
