re: Folder titled "June 1-15, 2007"
date: 7/29/2009

The George W. Bush Presidential Library received two exact copies of June 1-15, 2006 with the "Presidential Daily Diary" series. One of these copies was misdated as "June 1-15, 2007." The Bush Library did not receive a final version of the Diary for the dates June 1-15, 2007, within the "Presidential Daily Diary" series. Bush Library staff photocopied the correctly dated final versions of the Diary from the "Presidential Daily Diary Backup" series to have a correct "June 1-15, 2007" folder; that copy set follows.
