Traditional Indian Greeting

The traditional Indian greeting is the *namaste* (in the south *Namaskar*). To perform the *namaste*, hold the palms of your hands together (as if praying) below the chin, nod or bow slightly, and say *namaste* (nah-mas-tay). This greeting is useful for foreigners in any situation where a handshake might not be acceptable. It is a good alternative to a handshake when a Western businesswoman greets an Indian man.
