Private life and Politics

Goering's marriage to Emy Sonnemann was treated almost ^{as} a national festival, with wedding gifts totalling about RM 400 000. -- in value -- and a blood sacrifice in the form of 2 communists beheaded on the same day to assure the fertility of the marriage - (?)

This genial murderer has been looked on with less disfavor by Westerners ^{than} less genial murderers of Nazi regime. Sir Neville Henderson:

Goering was a blackguard
but not a damn blackguard

Political History, Affiliations, etc.:

1932: Hitler felt that Goering with his gentleman's bearing and his Pour le merite decoration would make a favorable impression on the old Reichspresident Hindenburg and cabled Goering, then at the bedside of his dying wife in Sweden, to come and stand by him. On the day of the reception Goering's wife died alone. For many years thereafter Goering made a cult of his dead wife, keeping lighted candles before her shrine in his Berlin home, erecting a huge sepulchre over her grave at his country estate, and even naming that estate after her, the Karin hall.

Since 1934 he has accumulated about twenty offices all of them paying good salaries and titles and decorations enough to provide innumerable jokes to the German people.

Criminal Record:

In 1932 he became President of the Reichstag, an honor which did not prevent him from burning it down when the Nazis wanted some symbol of disorder to justify their ruthlessness.

Goering as Prussian Police chief said: it was not his duty to exercise justice, but to annihilate and exterminate.

I define who is a Jew and who is not.
