H

2) HIMMLER, Heinrich

Political history

January 1934 Commandant of Politische Polizei Oldenburg, Bremen, Sachsen, Prussia

Member of Prussian Staatsrat

Member of Academy "Deutsches Recht"

Member of Sachverstaendigenbeirat of Bevoelkerungs- und Rassenpolitik

Member of Reichsausschuss fuer Volksgesundheit

Himmler has secret files about every Nazi. Goering once said: "You endanger your own life if you plead for some one Himmler has accused."

Himmler is completely devoted to Adolf Hitler. Ribbentrop is the only Nazi member who is a friend of Himmler.

When he is in his black uniform he is imposing and impressive. From his look an enormous sense of power strikes one. One knows it is a matter of no consequence to this man whether he tortures his victim to death or shoots him out of hand. At first his rage is concealed with difficulty under a cool composure, but if his captive does not give him instantaneously and without hesitating a civil answer, his shrill voice hurls threats at him. He looks on indifferently while prisoners are beaten and maimed before his eyes. His only cause for regret is when the victim dies before being able to make a statement which is important to him.

Himmler once boasted to friends that he had read every book there was on the subject of the Russian Tscheka and the GPU.

There is no doubt that Himmler has succeeded not only in dispersing all opposing organizations, but/ also in building up in the Third Reich a terrorising troop of such a kind that the outbreak of internal revolt in Germany outside the Party, is hardly possible.

Every member of the SS is elected personally by Himmler. The length of the thigh must bear a certain definite relation to the length of the lower leg and fixed standards are laid

3. HIMMLER, Heinrich

down for chest measurements, height and weight. They are allowed to marry and have children, but they are never left in their home area. They change their station every two to three months lest they should make friendships with the townfolk and they must be prepared to be shifted any day. They had to prove back to 1750 that they are Aryans.

Herr Himmler made some fairly eye opening statements which implied unmistakably that, once the population of the outer European continent had been reduced to the level of beasts of burden, the German people themselves would be next in line for really thoroughgoing GESTAPO treatment.
