Dear Andy:

We are grateful to you for passing our request on to First Lady Laura Bush, for the time when we will have older Seeds of Peace campers in DC, June 27-28, 2005. This resulted in an offer to give our group a guided tour of the White House because Laura Bush will be out of town during that time. I am sure we will do that.

Since we will be bringing another group of 28 older Seeds of Peace campers to DC on July 27-28, and Laura Bush will be in town then, we would like to ask her to meet with this group at that time. This will be another group of Middle East and American campers. It should be easier to accommodate this number of campers, even with the accompanying adults, than it was in past years with all 200 campers. If you could encourage this meeting, it would mean a lot to the young leaders, many of whom come from States that do not encourage women to participate in public life.

As always, I wish you and Kathi the best and hope you will give me a call telling me that you want to visit our camp while you are in Maine this summer. My cell phone number is (b)(6)

Sincerely,

Bobbie Gottschalk, Vice President
