Other remarks: **Agreed that he had no knowledge of shipping & business life prior to 1933. Afterwards, associated intimately with big Hamburg merchants & ship owners, "showed off" as expert in international trade & shipping. Having had a liberal tradition, he let it be known that he is not an extreme Nazi. Is reported that several leading Jewish merchants were informed by him that they should stay in Hamburg. One merchant known to have stayed, later put into concentration camp.**
