14 October 1944

The ULVERT M. MOORE is at Balboa awaiting orders from Cincpac. It is expected that the Navy Department will have Cincpac's orders for her before we can get the information by cable. The estimated probably schedule is as follows: Arrive at San Diego about 24 October; depart San Diego 27 October, arrive Pearl Harbor 3 November. No prediction as to further operations can be made but if opportunity presents, the normal procedure is to allow a training period of two or three weeks prior to departure on special duty.
