This is WAR 594. French destroyer Le Triomphant has received considerable damage. Admiralty 261548 to BAD refers. Sister ships Fantasque, Terrible and Le Malin have been modernized in U S A and are or have been engaged in offensive operations, which policy it is intended to continue. Repairs to Le Triomphant cannot be carried out in the Mediterranean Area. I consider it desirable that she should proceed to the USA in order to be overhauled and modernized in the same way as the rest of her class.
