~~DECLASSIFIED~~ JCS 29-71
RAP 6-16-71

From: Algiers
To: War

No: W 8129/16860 20th December 1943

To AGWAR for Combined Chiefs of Staff and to USFOR
For British Chiefs of Staff signed Eisenhower cite FHDCS.
This is NAF 560.

I am being pressed to accede in Algiers Military
Missions attached to Ambassadors to deal with the French
National Committee on matters not pertaining to this theater.

If a precedent is created it will be difficult to
control the number of such missions. Moreover, the
committee are certain to play off these missions against
each other and against this Headquarters. Our relation-
ship with the committee on military matters is not all
that could be desired and I *— deprecate any step
which may strength the committee hand pending unsatis-
factory solution of our problems. Until this headquarters
moves away from Algiers, it is my belief that it should
be the sole channel of communication with the committee
on all military matters and I request that no military
missions be sent to Algiers until after this headquarters
has moved out. Until that time, the senior and experienced
Army Navy and Air Officers here are unavailable to handle
all matters which may arise.

*Being serviced. WDCC.

No. W-5207/825, 14 November 1943

AGWAR for Combined Chiefs of Staff USFOR for British
Chiefs of Staff signed Eisenhower cite FHCIV Murphy
NAF 519 reference FAN 246.

Although this Headquarters objections to the
withdrawal of cipher and bag facilities from Spanish
Consuls in North Africa have now changed owing to the
changed operational situation we have no strong opinion
in the matter.

On the other hand Mr Murphy and Mr Mac Millan
point out that this action would now require French
concurrence and that in view of the newly established
relations between the French Committee and the Spanish
Government and of the extent to which the French are
dependent on Spanish goodwill for the welfare of a
large number of French refugees in Spain it is con-
sidered very unlikely that the French would be will-
ing to take this drastic step.

In the circumstances we recommend that the
matter be not proceeded with at this time.

Admiral Glassford will leave Washington about June 11 for Dakar, where he will serve as personal representative of the President with the rank of minister. His directive from the President states that in military and naval matters Admiral Glassford will be directly responsible to the Commanding General NATO and in civil matters will act under the general direction of Murphy. Instructions concerning activities other than those of a military and naval character will be provided by the Department of State either directly or through Murphy. In his capacity as personal representative of the President Admiral Glassford will take all appropriate measures to supervise and coordinate American activities in that area, to foster friendly relations with the French authorities and to promote mutual interests in economic and other matters.

(From McNarney to Eisenhower for his eyes only) at a conference which I had with Glassford he stated that he would go to Algiers as soon as possible after his arrival in West Africa to see you and to make sure that his activities are coordinated in accordance with your wishes. He does not consider that he has any military, army or naval, command function and that his primary mission is to assist in economic, political and diplomatic matters. He stated that if you and the War Department concur he would like to have an army officer, preferably a reserve officer familiar with air transport matters on his staff and would prefer one who would probably be connected with commercial aviation after the war. The War Department has no objection to the detailing of such an officer with Glassford's staff. If, after you have conferred with him, you concur in this proposal, detail an officer for this duty or inform the War Department and necessary action will be taken here to fill the requirement.

In reply cite: 7560 March 19, 1943

Since submitting our recommendation that neutral consuls (information AGWAR for Combined Chiefs of Staff and Hull and USFOR British Chiefs of Staff. Signed Eisenhower cite FHCIV Murphy. NAF 180. Reference FAN 107 March 110210Z) Spanish consuls in particular should be deprived of their cipher and pouch privileges there has been a new development which has led G-2 to reconsider its attitude. Consequently for the present no action is contemplated. If evidence can be obtained that the Spanish Consul at Oran who is said to be the worst offender is using his privileges to make military information available to the enemy the French authorities will be asked to declare that he is persona non grata and require that he leave French territory. In this event the American-British Embassies in Madrid and consular offices in Spanish Africa and Tanzania will be notified in advance.

OPINION FROM PERSONAL OBSERVATION EMPLOYEE IN QUESTION IS MOST CAPABLE AND RELIABLE OF ALL AMERICAN HIRED SOVIETS. COOPERATION BETWEEN U.S. AND BRITISH REPRESENTATIVES HERE HAS STEADILY IMPROVED AND WHILE RELATIONS ARE MOST CORDIAL THERE IS STILL ROOM FOR IMPROVEMENT. PASSING THROUGH AFRICA I SAW CONSIDERABLE EVIDENCE OF U.S. BRITISH DISSENTION AND HEARD EXPRESSIONS OF OFFICIAL CONCERN THEREFOR. WHILE AMERICANS CANNOT BE WHOLLY WITHOUT BLAME I SUBMIT THAT ABOVE RELATED MALADROIT STATEMENTS, ACTIONS AND ACTIVITIES ARE DISTRESSING EXAMPLES OF MOVES WHICH REQUIRE A MOST CHARITABLE AND GENEROUS UNDERSTANDING BY AMERICANS STRIVINGS FOR THE WHOLEHEARTED COOPERATION ESSENTIAL TO OUR JOINT EFFORT.

CG FREEDOM ALGIERS

USFOR LONDON ENGLAND
BRITISH CHIEFS OF STAFF

Number R-6553

After consultation with the British Foreign Office and the US State Department the Combined Chiefs of Staff authorize the action proposed in your NAF 146 dated February 13, 1943, with the understanding that the restriction will be applied generally and will be of a very temporary nature. For Eisenhower Freedom Algiers, FAN 107, from the Combined Chiefs of Staff. It is felt that the success of the proposed action may depend very largely upon the manner in which the restriction is communicated to the officials affected, and for this reason it is desired that the British and American Ambassadors in Madrid, and the British and American Diplomatic and Consular Officers in Spanish Africa and Tangier be informed of the action proposed as long as possible before it is put into execution.

No. NAF 146, February 13, 1943

There is good reason to believe that Spanish Consulates in North Africa (to AGWAR and USFOR from Freedom 587 13th Feb are being used as collecting centers for intelligence of value to the enemy (to AGWAR for Combined Chiefs of Staff and to USFOR for British Chiefs of Staff signed Eisenhower this is NAF 146) In 1 or 2 cases evidence is in our possession which ysulu'e produced to the Spanish Authorities.

It is accordingly suggested that Neutral Consuls in the North African Area should be deprived of their cypher an esst and would be fully justified on the grounds that North Africa is a War Zone. There are Portugese, Argentine and Swiss Consuls at Rabat in addition to Spanish Consuls. As in the case of the Middle East, an exception would subsequently have to be made for the Swiss on account of their services as protecting power and otherwise.

It is not considered that the Spaniards could complain because (A) there is no discrimination against them. (B) There is a precedent for such action and (C) we can produce evidence against them.

For the departments information I wish to report that an enclaire message from Mr Saint Quentin French Ambassador in Rio de Janeiro addressed to General Giraud has been received here via Gibraltar reading in substance as follows: I have received instructions from the Department (French Foreign Office) to withdraw the diplomatic mission and consular personnel in Brazil to Buenos Aires to await repatriation to France to which I replied "The closure of the embassy and consulates would cause an unfortunate effect among numerous friends in Brazil. On the other hand no matter how efficient and devoted might be the protection of a foreign power the great economic and cultural interests of France in Brazil would be gravely compromised if they remained without French direction. I intend to pursue this task with the full assent of the Brazilian Government which will put me in regular contact with the French authorities who are not prevented from having relations with Brazil. I therefore have the honor to submit to your excellency my resignation. I now transmit also the resignations of Messrs Dumaine, Gueyraud, Baudier, Chiransini, Martin, Domestici, Hummel, La Forest Divonne. I will let you know later the decision of other agents of the Department. Squadron leader Durosoy and Major Stourme tender their resignations respectively from the posts of Military and Naval Attache. Messrs Dubois and Pellisse request your excellency to transmit their resignations to the Minister of Finance. Mr Cheysson is in complete accord with us but does not consider it necessary to resign because his mission ended on December 31. The

"It is indicated that French diplomatic representatives will be recalled from countries which have withdrawn their representatives from France according to cable received from Vichy on January 21, by French Legation." Above paraphrase from A/M/A Chile bearing January 22 date.

AIS comment: Such action on the part of the Vichy government would affect Colombia, Venezuela, Ecuador, Peru and Brazil as well as Chile since these countries have all withdrawn their representatives from Vichy. Mexico, the Central American Countries, and the Island Republics have all broken relations with Vichy but in most cases the French representatives are still in the countries to which they are accredited either attempting to avoid or to arrange repatriation. Argentina, Paraguay and Uruguay have taken no action concerning their representatives in France or Vichy diplomats accredited to their governments. Bolivia announced in December 1942 that it would follow the lead of Peru in any action taken by them but there has not yet been an official report of any action.

No. 437 Jan 22, 1943

In connection with present conversations the departments comment on French consular (from ANFA Casablanca to AGWAR and Freedom for CINC) representative in the United States, Mexico, Central and South America is necessary. (for Secretary Hull from Murphy) The Foreign Office has supplied its representatives with a statement of its views regarding the status of French consular representatives in other parts of world except North and South America. What we should like is a statement regarding those French Consular Officers who have declared themselves for Giraud and/or for DeGaulle, as well as those who remain faithful to Vichy. Should later some form of representation of French interests independent of Vichy be approved in the United States for example we should be in position to say what individuals are acceptable to the Department.

Referring to Departments message transmitted as AGWAR 1049 January 14 Lemargie Dubreulls request that consideration be given representation of French interests is supported by Giraud and French opinion here. Should a reconciliation of Giraud and DeGaulle be effected there is no doubt that they will urgently request a decision on this matter.

Diplomatic relations with Russia being considered by Colombia. 2 secret cables sent by the Military Attache, Bogota, on January 13 and 14, 1943 have just been received and are paraphrased as follows: (Classify secret)

"Political relationship with Russia will be established by Colombia and Turbay will confer in Washington with Litvinov according to press reports. This is not verified by information from the Embassy. Turbay will visit Baltimore periodically for treatment and will spend most of the time in Washington. According to statement he made to Ambassador Lane. FOMIS notified." End of first cable.

In view of the important Russian contribution to the war, Colombia has asked for concerted action by the Bolivarian nations but the other nations have not replied so far. FOMIS notified. Our Ambassador says that in 1935 Turbay, who was then in Italy, told the Russian Ambassador there, pursuant to instructions from the Colombian Government that Colombia wanted to establish diplomatic relations because of the participation of Russia in League of Nations. No diplomatic representatives were exchanged, however." End of second and last cable. Colombia, Venezuela and Ecuador have acted jointly in international affairs twice in recent months.

Mister Harold MacMillan has just reported at this headquarters and explained his mission in this theater. NAF number seven nine to AGWAR for Combined Chiefs of Staff and to USFOR for British Chiefs of Staff signed Eisenhower. I am convinced that he will be most helpful and, since he is (To AGWAR USFOR from Freedom Algiers) obviously concerned only with assisting me to the utmost, it appears that no further definition of his status, as requested in my number three six seven zero, is necessary.

Mack has shown me following telegram received from Foreign Office "JRK Harold MacMillan MP is being appointed Minister Resident at Allied Headquarters at Algiers. (To AGWAR Washington for Combined Chiefs of Staff and to USFOR London for British Chiefs of Staff) he will report on political situation and future plans for North Africa and represent to Commander in Chief the views of his Majestys Government on political matters. (This is NAF seventy four) he is not at present accredited to French authorities in French North Africa and his relations with them will be of an informal character. Mr Makins will be his assistant. Mr Mack will continue to hold a XX DPT appointment of British Civil Liaison Officer on CINCS staff and will not join Mr MacMillans staff though he will look to him for guidance on any political matters affecting interests of His Majestys Government. Mr MacMillan will superintend activities of British civilian experts appointed to collaborate with the United States authorities in French North Africa. His Majestys Consular Officers in French North Africa will repeat to him political reports which they address to me. He will communicate direct with them necessary and they with him." (Signed Eisenhower) under my present directive all American consuls report to Mr Murphy who with the rank of Minister is an officer on my staff. This will continue until the time arrives when we can separate the civil and military responsibilities. I am delighted to work with any one who can help in the present con-

Rec'd: 11:30 a.m.

FROM: London

FOR: Secretary of State, Washington

No. 7461, December 31, 1942

The appointment of Harold MacMillan as Minister Resident at Allied headquarters in North-West Africa is the Government change which is given principal attention in this morning's press. The TIMES parliamentary correspondent writes that it "meets a want which has been increasingly felt since American and British forces occupied French North Africa. In no theatre of war has there been made more apparent the need for some high-ranking political representative of British interests. The political problems there have been modified since General Giraud succeeded the late Admiral Darlan as High Commissioner, but they will continue to be of high importance." Under the heading "Team Work in North Africa" the TIMES likewise devotes an editorial to MacMillan's appointment. In comparing his appointment to that of Casey it says: "In one way his appointment differs from the earlier appointments. Instead of being the only civilian Minister on the spot, he will work in close cooperation with Mr. Murphy, who some days ago, after serving for many months as American Consul General at Algiers, was appointed President Roosevelt's personal representative with the rank of Minister. But the principle and the purpose of Mr. MacMillan's office are the same as in the appointments of Minister's to Cairo and Accra. In conjunction with Mr. Murphy he will give advice on all the many political and economic problems behind the front line. From the 1st hour of the Allied landing in North Africa General Eisenhower has desired to be freed from all such problems (sic) in order to devote himself entirely to the formidable military task of

driving the enemy from Tunisia. The completion of the Allied team through the appointment of Mr. MacMillan and Mr. Murphy has come none too soon."

The TIMES continues: "Apart from the task of taking much work from the shoulders of the Generals, the 2 Ministers will give advice and report back to their Governments on the best ways and means of equipping the Army which General Giraud plans to raise in North Africa, a force which will be an incalculable asset to the Allied cause and which will 1 day, it is hoped, join in liberating the French Motherland from German tyranny. No less urgent is the task of bringing together the North African French led by the imperial council at Algiers and the Fighting French led by General de Gaulle. Essentially the means of reconciliation will have to be taken by the French leaders themselves; already they have expressed from both sides the most earnest desire to see it accomplished. But allied advice and allied tact can be of the utmost service, and nowhere, at the right moment, can they be given more effectively than in North Africa. Two courses are open. Either there can be a friendly understanding, a kind of confederation, between 2 forces working towards the same end; or there can be a fusion of forces. Of the 2 the 2nd is by far the better and it is along this course that efforts should be made without any thought or consideration but for the future well-being and solidarity of France."

The MANCHESTER GUARDIAN in praising the appointment states: "Just as Mr. Murphy reports direct to the President, so Mr. MacMillan will report direct to the Prime Minister. He will report only on political matters."

All Latin American countries, your radio 2441 December 19, where we have considerable influence have been informed by our Government that we consider the Vichy Government no longer exists. (For Eisenhower from Marshall) It is therefore felt that none of these countries would recognize any representatives sent out from Vichy. State Department will probably take the position that in other countries such as Argentina, Chile, Portugal, Spain, Turkey, little would be gained by our attempting to influence them. You will be informed of further State Department action on the question of diplomatic immunity and the use of codes.

Snyers Belgian Consul General Algiers has been requested by his government London to secure approval of appointment Seyfert now First Secretary Belgian Legation Lisbon as Consular Officer in charge to reopen Belgian Consulate Casablanca. (To AGWAR USFOR from Freedom Algiers) from Eisenhower for Marshall for Secretary Hull and Combined Chiefs of Staff from Murphy. Seyfert well known to us in Paris. He would be acceptable and see no objection reopening Belgian Consulate Casablanca subject to departments approval. French High Commission Algiers suggests that in exchange their consular officials should be permitted to function in Belgian Congo. Snyers further asks that code and pouch facilities of our office here be made available to him for communicating with his government. Gives as reason his own codes are so well known that they afford no secrecy.

No. 2441 December 19, 1942

High Commissariat Algiers directs attention to situation of French Missions abroad whose members consisting of Diplomatic Consular Officers. Military Naval and other Attaches have broken with Vichy and placed themselves under Darlans orders. He believes our influence should be used in such countries to prevent these Missions being turned out and their places taken by recognition of new representatives sent out from Vichy. From Eisenhower for Marshall for Secretary Hull from Murphy your December two. He further asks continuation of customary Diplomatic privileges to such Missions of pouch and code facilities and that especially Picot Counselor of French Embassy Washington and his staff be placed in position to resume their normal relations with department. Local authorities point out that some official representation in the United States (to Agwar Washington from Freedom Algiers) economic purposes will be essential please comment.

YOUR DISPATCH 042158. INVESTIGATION SHOWS FAIR SECURITY MEASURES IN FORCE LOURENCO MARQUES AND NEARLY NONE IN BEIRA. EVIDENT CONSIDERABLE LEAKAGE SHIPPING INFO FROM THESE PORTS. ONE OF PRINCIPLE SOURCES LEAKAGE IS LOOSE TALK OF SEAMEN. PRACTICALLY NO COMMUNICATION SECURITY AS AGENTS AMERICAN SHIP COMPANIES HAVE NO FACILITIES FOR SENDING MESSAGES IN CYPHER. ITALIANS HAVE RECENTLY TAKEN OVER FROM GERMANS REPORTING OF SHIP MOVEMENTS FROM LOURENCO. DIFFICULT INSURE ABSOLUTE SECURITY IN NEUTRAL COUNTRY BUT BELIEVE LEAKAGES OF SHIPPING INFO COULD BE MINIMIZED BY ASSIGNMENT NAVY REPRESENTATIVES TO CONSULATE AT LOURENCO AND ALSO BEIRA WHEN CONSULATE IS OPENED NEAR FUTURE (CONSULT SHIRES FOR DETAILS). FOLLOWING FROM MONROVIA

DATED NOVEMBER 24, 1942

RECEIVED 254 PM 25TH

FROM STATEDEPT TO OPNAV

SECRETARY OF STATE WASHINGTON

RUSH 391 NOVEMBER 24 9 PM

DEPARTMENTS CIRCULAR TELEGRAM NOVEMBER 19 9 PM

REGARDING SEVERANCE OF DIPLOMATIC RELATIONS WITH THE
UNITED STATES BY VICHY FRANCE

EMANUELLI WHO HAS REPRESENTED VICHY IN LIBERIA
SINCE THE DEFEAT OF FRANCE CALLED ON ME THIS MORNING
TO REQUEST ADVICE REGARDING HIS RESIGNATION HE HAS BEEN A
SYMPATHIZER WITH THE FIGHTING FRENCH FOR THE PAST 18 MONTHS
AND HAS BEEN MOST HELPFUL TO BOTH THE BRITISH AND ME. HE HAS
WISHED TO RESIGN FOR SOMETIME BUT THE FIGHTING FRENCH RE-
PRESENTATIVE IN MONROVIA AS WELL AS MY BRITISH COLLEAGUE AND
MYSELF HAVE DISCOURAGED HIM AS WE FEARED THAT AN ACTIVE
GERMAN COLLABORATIONIST MIGHT BE SENT FROM ONE OF THE NEIGH-
BORING COLONIES TO REPLACE HIM AS SOON AS ALLIED FORCES EN-
TERED NORTH AFRICA. THE FIGHTING FRENCH REPRESENTATIVE RE-
CEIVED A TELEGRAM FROM THEIR HEADQUARTERS IN ACCRA INSTRUCT-

By R. H. Parks Date **NOV**—2 1973

ING HIM TO ASK EMANUELLE TO RESIGN AT ONCE.
WE STILL URGED HIM TO WAIT UNTIL THE NORTH AFRICAN SITUATION
SHOULD BE CLARIFIED PARTICULARLY AS THERE WERE CERTAIN TECH-
NICAL QUESTIONS REGARDING PROPERTY ARCHIVES AND FUNDS
IN HIS POSSESSION WHICH WERE DIFFICULT TO SOLVE. HOWEVER,
WITH THE ANNOUNCEMENT OF THE CAPITULATION OF DAKAR AND THE
FRENCH WEST COAST COLONIES THERE SEEMS TO BE NO REASON FOR
FURTHER DELAY. NO NEW REPRESENTATIVE WILL BE SENT FROM THE
COLONIES AND IT IS IMPOSSIBLE FOR ONE TO REACH HERE FROM
FRANCE AS THE UNITED NATIONS CONTROL TRANSPORT. HE IS THERE-
FORE THIS AFTERNOON TELEGRAPHING HIS RESIGNATION TO LAVAL
AND HIS ADHERENCE TO THE FIGHTING FRENCH AT DAKAR.
I TOLD HIM THAT INASMUCH AS HE HAD ALREADY RECEIVED A
MESSAGE FROM THE FIGHTING FRENCH I COULD NOT OFFICIALLY AD-
VISE HIM PERSONNALLY I WELCOMED HIS DECISION WHICH I WOULD
COMMUNICATE TO THE DEPARTMENT. THE BRITISH CHARGE HAS TAKEN
THE SAME ACTION.

Colonel McBride reports the following:

The German Consul here has asked his Government to have the French send a French plane here from the Ivory Coast to arrive here approximately Oct 25 to pick up him and his staff. The Consul added the only other way he could leave would be by American amphibian plane to Cape Palmas. However, due to his reluctance to travel in an enemy plane, he much prefers to wait for the French plane. Besides, he feels that he could not walk from Cape Palmas to Abidjan due to his poor health. This plan has been approved by the Liberian Government which has already informed the Vichy Consul that the plane may come to Monrovia. This approval has been reported to Vichy by the French Consul.

The above information was given to me by Secretary Simpson today during the course of my last conversation with him and contains the notes of his talk with the German Consul which took place today.

I am leaving on Oct 17 by Clipper, and am to see President Barclay tonight.

McBride reports the following:

The question of the German Consul and his 2 assistants was taken up by me this morning with Secretary of State Simpson in accordance with the request made by President Barclay. I repeated to Simpson our desire that the Germans depart from Liberia. He indicated that he and the President are going to confer with the rest of the Cabinet on the matter immediately in as much as we feel that a force sufficient for protection has already arrived. He intends to go ahead as follows: (1) Liberia will not declare war. (2) Simpson will ask the German Consul to call at his office and he will ask him to leave with his staff. Simpson may tell him that they will not correspond on the subject in case the Consul demands that this be put in writing. (3) He intends to make a suggestion to the Consul that he should have a committee of 3 Liberians act as custodians of German interests and properties under power of attorney or that he turn these over to the representative of the Vichy French.

Simpson said that he would give me the Cabinet's decision in the near future. Simpson asked me if I thought that this was the proper time for Liberia to throw out the Germans since they were so afraid of retaliation, and I answered that I thought it was. He asked then if they should wait until I leave or if they should go ahead while I am still here. I replied that I would like to see action taken within the next 2 weeks, but whether I was here or not would not matter. I feel that before additional forces are sent here the Germans should have left.

In previous conversations with Barclay in which I had indicated our position, he gave me confirmation of his promise that they should leave Liberia as soon as a protective force had arrived. He added, however, that according to his information only a few labor companies were here. He was informed by Colonel Upston that a complete defense force would soon arrive and that in the meantime the forces here were made up

No. 1375

Dated: Sept. 16,
1942, noon

From: Vichy

Rec'd: Sept. 16,
1942, 2:59 p.m.

We are informed by a responsible official that the matter of Germans sending a military observer to Dakar has been postponed, if only temporarily. The opinion was expressed by our informant that the German decision to postpone the mission was due in part to the resistant attitude of Boisson. There are indications that the right to establish a consulate at Dakar may now be demanded by the Germans. They advance the argument that in as much as the United States has a consulate at Dakar, they are entitled to one also.

Above message with reference to Embassy's 1337 of the 9th.

THE FOLLOWING FROM CAFAC " OPNAV 302241 DUE PROCESS
NATURAL DEVELOPMENT PARAMOUNT DUTIES ALUSLOS CURACAO

AND ARUBA ARE OPERATIONAL. LIEUT COMDR MULLANEY IS ROUT-
ING OFFICER ESPECIALLY TRAINED FOR THIS DUTY. HIS DIVER-

SION SOLELY TO INTELLIGENCE DUTY WOULD BE SERIOUS. SAME
APPLIES TO SHAW AT ARUBA EXCEPT THAT GEMIS IS ROUTING

OFFICER AND SHAW AT PRESENT IS IN OVERALL COMMAND LOCAL
NAVAL OPERATIONS AS REPRESENTATIVE OF CAFAC. FURTHERMORE

THESE OFFICERS ARE OBVIOUSLY CONSIDERED AS PRIMARILY
OPERATIONAL BY THE HIGH COMMAND AS EXEMPLIFIED BY NUMEROUS

MESSAGES ADDRESSED TO ALUSLOS ON THE ROUTING OF SHIPS.
COMINCH LOOKS TO THEM FOR CONVOY OPERATIONS SOMETIMES

DIRECTLY AND SOMETIMES THROUGH CAFAC, WHILE OPNAV CLAIMS
EXCLUSIVE CONTROL. IN MEANTIME THEY HAVE OWN ADMINISTRA-

TIVE SET-UP, APPROPRIATIONS AND PERSONNEL, LATTER BEING
NECESSARILY EMPLOYED ON OTHER THAN INTELLIGENCE DUTIES.

UNUSUAL AND DELICATE SITUATION HERE REQUIRES SPECIAL
TREATMENT IF OUR POSITION IS TO BE SUCCESSFULLY MAINTAINED

AND OPERATIONS CARRIED OUT. GOVERNOR RECOGNIZES CAFAC
AS ONLY MILITARY AUTHORITY AND HAS REPEATEDLY APPEALED
