Russ & Sengul - Work together OK.

but only good will come from
Withdrawing Troops else by

War - soon? ^{4:07} Reads from

paper - 1 specific example - India
Pakistan - Demand to withdraw troops

(Remember
Withdrawn arms) Long known out ^{war} like
like Algeria - If war flared
up in Mid East neither you
nor I could do anything about
it - Then you take responsibility
I agree Gulf should be opened
then each issue could be

taken - In that war each
would be taking sides
then we would have wait
for settlement long time -
Study of position of Arab
States - Or falsify imp
things to Rush - You hear
only voice of Israel not of
Arabs - Arab statement to
but American states - Israel
got her negative attitude
toward withdrawal of troops - No
mediation - Syria. Arab states

should become part of Israeli
 state - now that is something
 no Arab could agree to. ~~it~~
 I believe we are standing
 at a time of responsible
 decision & I think we
 should find it & make it.
 That's bad - We had hoped you
 would support our proposal
 supporting perpetuation of Arabism
 Zionist movement - Algeria etc
 tension long time.

J: 45 - 1 blighted

For. Side without delay
Withdrawal of forces
of Israel behind Armistice
line - This position is
key issue to peace
in M. E. - should be
resolved without delay.
Will have to say this at Pre-
Conference + back to Moscow

THE WHITE HOUSE
WASHINGTON

Will have to say impossible
to get agreement -

Will do all we can
to keep war from breaking
out again - accident
letting off gun -

Restrain arms buildup
there -
