Chief of Staff Washington DC signed Brett CDC
C 29412.

Herewith resume of political situation as seen by this headquarters. Present executive of Panama until 27th December 1944 believed that he had political control of National Assembly and as a result of this control could continue in power until 1947. Above control could be exercised to prevent election of a presidential designate other than himself who automatically according to Constitution would then assume office of President. However, because of his dictatorial attempts to name the new president of the assembly, who is to be elected on 2d of January 1945 for next session of assembly, the chief executive alienated some of his supporters and it is apparent that in his opinion he considered his control dubious. The leaders of the old line political parties forming a National Committee of political coordination and theoretically supporting the president suggested a constitutional convention to revise Constitution placed in effect during regime of Arnulfo Arias. Also the First National Youth Congress of Panama, which has been meeting in Panama since 25th December, in an orderly manner and concerning itself solely with internal affairs of Panama passed a resolution calling for a constitutional convention under a new president. The president then in view of uncertain situation in assembly and apparent popular clamor for a National Assembly to revamp Constitution, suspended the present constitution on 29th December 1944 except for judicial and

executive powers and further announced that elections would be held 6 May 1945 for delegates to a National Constitutional Convention to convene in June 1945. Suspension of Constitutional Convention automatically suspended the power of the National Assembly. Therefore no election could be held in January to elect a designate to presidency of the Republic, thereby continuing in office the present incumbent until such time as a Constitutional Assembly is elected and a new constitution is adopted. A state of siege has been declared in Panama. Youth movement is making threats to use passive resistance to force government to resign. Passive resistance consists of closing all stores under threat of property damage by youth movement. Above for your information only.

Chief of Staff Washington DC signed Brett CDC
C 29413.

Now reference is made to ourads 29358 and 29412
dated December 29th and 30th respectively.

The threat of strikes and other demonstration against the Panamanian Government became pronounced about 1031 December 29th and indications were that demonstrations would begin at 1400. It was considered essential to clear Panama City and Colon of personnel of the armed forces in order to avert any incident which might necessitate use of force to protect our men and equipment. No reason could be advanced for placing the two cities off limits until violence had occurred without having such action construed as having political significance. Full alerts are called frequently for training purposes in Panama Canal Department and SOP for such alerts cancels all passes and requires immediate return of military personnel to their stations. A full alert was called at 1200R December 29th and by 1500R all military personnel had been cleared from the cities. The alert is being conducted as a training exercise and remains in full effect until terminated by Headquarters Panama Canal Department. As a result of conferences with the American Ambassador, the alert will be continued until 1200R December 31st, by

Important opposition groups from Nicaragua, Salvador and Honduras are here.

Object of all is to obtain arms and possibly other help from Govt.

A-1 We are reliably informed that the Junta will give no arms or help to these groups.

A-2 However the Junta also states that at the moment there are so many possible sources of arms in the interior that the Junta cannot guarantee that such arms might not be readily obtainable by almost any one.

Pursuing force previously reported contacted fugitives near Muelle De San Carlos today wounding 1 and capturing dynamite 5 rifles powder and ammo but requested permission to return San Jose as too exhausted.

Tommy gun armed Noguera and party probably proceeding via boat toward Rio San Juan B 2 Nica sources here indicate this is no real uprising in Costa Rica but attempt by military revolutionary leaders to get to Chontales Province (Noguera home is Juigalpa Chontales) where first uprising will take place to draw still more troops from Managua and finally the main effort will take place in Managua itself F 3 with Noguera estimated between 10 and 20 fugitives.

General uneasiness here, based on fear that Government intends to create serious incident.

Our information is that secret police will provide the incident. Stores closed and shuttered very early last night.

Incident will have to be something strong enough to bring general protest which would be followed by martial law.

Reyour five six of sixth no additional arrests have been made despite necessity thereof and presentation of warrants issued by Canal Zone plus recommendations by this Mission. When plane arrived from Panama to remove enemy aliens Governor declined transfer on order of Colonial Secretary of State London. This done after British requested me obtain plane for that purpose. Suggest removal aliens immediately.

To MILID Washington DC. 542.

Mexican Charge D'Affaires called today stating he received urgent request from his government to report on military situation in the west and asked me for resume. I expressed mild surprise that info which is surely available to Mexican Government from Washington should be sought so far afield and he replied that they have been receiving disquieting reports from their representatives in France and probably wished to check them.

I told the Charge that my sources are identical with those available to every radio listener and press reader and explained with aid of map that situation of Allied troops is secure and that counter offensive which appears checked may turn into grave military defeat for Germany.

Comment: I thought that this rather unusual demarche formally carried out may be of interest.

Mexican Air Force officer informs this office, that at home of Lieut Negrin, son of Spanish Republican leader, he was offered \$18,000 US currency a year if he would accept position as Supply Officer with Spanish Republican Air Force soon to operate in Spain.

Spaniard making this offer stated Republicans have active backing of Russians who will furnish American equipment for overthrowing Franco. Claimed victory was certain.

Mexican officer has reputation of being best Supply and Maintenance officer in Mexican Air Force. Our evaluation A-2.

REFERENCE N.A. MEXICO SECRET REPORT 231-44 OF 29 MAY 1944.

LABOR SITUATION TAKING SLIGHT TURN FOR THE BETTER BUT THERE IS AN INCREASE IN RUMORS REGARDING STABILITY OF ADMINISTRATION OF PRESIDENT AVILA CAMACHO. THESE RUMORS APPEAR TO COME MOSTLY FROM OPPOSITION QUARTERS, SUCH AS ACCION NACIONAL AND THE SINARQUISTAS, AND STATE THAT THE PRESIDENT MAY SOON BE FORCED TO RESIGN AND THAT LEFTISTS WILL TAKE OVER THE GOVERNMENT. IN THIS REGARD, MINISTER OF NATIONAL DEFENSE CARDENAS AND MINISTER OF GOBERNACION ALEMAN MENTIONED AS POSSIBLE SELECTIONS FOR PROVISIONAL PRESIDENT.

HIGH COST OF LIVING WHICH IS INCREASING CONSTANTLY, THE CONTINUOUS LABOR TROUBLES AND LACK OF DISCIPLINE WITHIN LABOR UNIONS, AND THE WIDESPREAD GRAFTING BY PUBLIC OFFICIALS ARE WITHOUT DOUBT LOWERING THE CONFIDENCE OF THE PEOPLE AT LARGE IN

THE PRESIDENT. HOWEVER, THE SITUATION HAS NOT YET BECOME ALARMING, ALTHOUGH IT IS SERIOUS. NO DOUBT THE RIGHTIST OPPOSITION ELEMENTS ARE SPREADING ALL THE PROPAGANDA THEY CAN BY WORD OF MOUTH, IN THE HOPE OF HEADING OFF ANY STEPS OF THE LEFT TO TAKE OVER THE ADMINISTRATION. THIS SORT OF RUMOR SPREADING ONLY SERVES TO ACCENTUATE THE DIFFICULTIES OF THE PRESIDENT HIMSELF, WHO HAS ENDEAVORED TO GIVE THE RIGHTISTS FAR MORE OPPORTUNITIES TO EXPRESS THEMSELVES THAN LEFTISTS THEMSELVES DESIRE. SITUATION BEING CAREFULLY WATCHED AND DEVELOPMENTS WILL BE REPORTED. BECAUSE OF THE DELICACY OF THIS MATTER, IT IS REQUESTED THAT THIS INFORMATION NOT BE CIRCULATED OUTSIDE THE NAVY DEPARTMENT.

Bodies of seamen killed when Mexican tanker torpedoed expected to be brought to Mexico through Nuevo Laredo today or tomorrow with a mass demonstration by civilian and military authorities. Propaganda now prevalent in Nuevo Laredo and probably other parts of Mexico that submarine was of American origin and torpedoing was perpetrated to draw Mexico into war on side of United Nations. This propaganda having some effect in middle and lower classes at this time. Mexican military officials very outspoken in their anti Axis feelings and favor declaration of war. Another form of propaganda being used is to the effect "with what will Mexico fight."
