Dear Jim:

It was nice seeing you again in Cincinnati. Sorry I didn't send you the franchise package I promised, so I am enclosing one with this letter. If there's anything we can do, please let us know.

We are just starting with Wendy's in the Washington and Baltimore areas. We just opened our 154th store, and we currently have 250 stores open or under construction.

I wanted to thank you for everything, especially the kind hospitality on Air Force I. I support President Ford 100%.

Sincerely,

WENDY'S INTERNATIONAL, INC.
