President's Message

NCNC members and their dogs were active and successful during the past month. (Show results are listed elsewhere in the Newfs Paper.) Of particular note: Dexter (Joyce Taylor) and George (Jackson & Latchaw) won Best of Breed awards, and Dexter won a Group 1,2 and 3 placements and a RBIS. Congratulations!

March was a busy time carting with our Newfs. We had another carting seminar which included a run-through at the upcoming draft test site. Also, Cherrie Brown and Ramble gave a very good exhibition of the exercises in the new Draft Dog Excellent class. By the time you read this, the **Spring Draft Test** at Lagoon Valley Park will be history. Results will be published when available. Thank you Dawn Druge and your many helpers for making these events so successful!

On April 25, we will again have a **club picnic** (and club meeting) by the bay at the San Leandro Marina Park. Once again, Elisa and John Morozumi are in charge. They did a great job last year with lots of good food and fun activities for our dogs. This year we will also set up a Rally course so you can watch Rally demonstrations and try out the course with your own dog, as well. I really look forward to this event! Please RSVP to Elisa so she can get a head count for food. More information is available in the Newfs Paper and the website.

Planning for the **Regional Specialty** in October is on-going. Last year we had only two entries in **Rally Obedience** (I entered Ready, Lori entered Rose). If you are interested in having/entering Rally next October, please let either Pam Rubio or me know. If there is not enough interest, Rally won't happen this year.

Finally, the NCNC Board wants your ideas for talks or **activities at our club meetings**. For example, this past year we had a talk on dog food nutrition and labeling, as well as a grooming seminar. Both were very successful. These were in addition to a club picnic, an awards banquet and a holiday party which are planned again this coming year. If you have ideas for talks or activities you would like to see, please contact me or our club Vice President, Kevin Gallagher.

We have lots of activities planned for you and your dogs. As always, check the calendar section of the Newfs Paper or the NCNC website for more details. I hope to see you there!

Have fun with your Newfs!

~ John Pearson, NCNC President

2015 Picnic Rescue Pup Reunion!

We would like to see as many rescue dogs and their families as possible at the NCNC picnic on April 25. We will have a rescue parade, a memento for each rescue dog, and of course participation in the great food and doggie games. Please come with your rescue pup! If you need more information, please contact Hazel Jacoby, 510-582-9027, jhbar@comcast.net, or Keith Mendia, 408-268-7411, kmendia@comcast.net.

Government Relations

March 4, 2015

<http://www.akc.org/government-relations/legislative-alerts/2015-amtrak-march/>

A bill has been approved by the U.S. House Rules Committee that would allow dog and cat owners to take their dogs on Amtrak trains under certain circumstances.

H.R. 749 is a comprehensive passenger train bill that in part would require Amtrak, when feasible, to designate at least one car where passengers may transport a dog or cat if the pet is in a kennel that can be stowed according to Amtrak's requirements for carry-on baggage.

The bill would also allow passengers to transport dogs or cats as cargo if the pets are in a kennel, and the cargo area is temperature-controlled. Passengers would be required to pay a fee to transport their pets on trains. This would not preclude those already permitted to travel with legitimate service animals.

AKC GR supports this bill and thanks Congressman Jeff Denham for shepherding this measure that would allow dog owners new options for travel humanely and responsibly with their pets.

AKC urges dog owners to support this measure and to contact your member of Congress and ask them to support the Amtrak Pilot Program in HR 749 that would allow pet owners to travel on certain trains with their pets.

Visit www.house.gov and enter your zip code in the "Find Your Representative" box at the top of the page to find the name and contact information for your U.S. Representative.

The U.S. House of Representatives has approved a comprehensive passenger train bill that in requires Amtrak to develop a pilot program that would, when feasible, designate at least one car where passengers may transport a dog or cat if the pet is in a kennel that can be stowed according to Amtrak's requirements for carry-on baggage.

[Read AKC's previous legislative alert](#) for more information on this bill.

HR749 has now been assigned to the Senate Committee on Commerce, Science and Transportation.

AKC urges dog owners to support this measure and to contact your US Senators and ask them to support the Amtrak Pilot Program in HR 749 that would allow pet owners to travel on certain trains with their pets.

Committee Roles and Responsibilities – continued

The next “Role and Responsibilities” defined by the Board include: NewsPaper committee.

The definitions used for this document are:

“Role” - A set of activities or job functions. Not necessarily a single person – one person may have several “roles”, one “role” may be supported by several people. For example, the secretary of a water test and the chief steward of a draft test may be the same person. The steward role at a draft test has multiple people assigned.

“Responsibility” - An outcome to be achieved by a “role”. This does not mean that the person(s) assigned to the role must complete the task(s) for the responsibility, only that they must ensure it is completed.

We hope you will see something of interest and volunteer to help out! You do not need to be a Chair, but if you would like to help with one or more responsibilities you can contact the appropriate Chair to volunteer.

Role: NewsPaper

Current Assignment: Jen Larsen

Responsibilities:

- Request and accept input articles.
- Create, maintain, and format NewsPaper, including articles, calendar, ads, etc.
- Update email distribution list with input from Membership Chair.
- Send NewsPaper by email to list.
- Ensure copies for non-email distribution are printed.
- Ensure hardcopies are mailed in a timely manner.
- Provide NewsPaper to Webmaster to post.
- Check NCNC email on a semi-regular basis and respond or forward emails to appropriate contacts.
- Administer Budget.
 - Provide input to Treasurer as required
 - Manage income and expenses for responsibilities
- Ensure income and expense vouchers are delivered to Treasurer in a timely manner.

If you have any questions or concerns about this information, please contact the Committee Chair or a member of the Board of Directors.

The water seminar registration form is located on [NCNC’s website](#).

We’re looking forward to seeing lots of participants – so sign up soon! For more information, contact Cathy Sayre at bensayre1@att.net or Carol Chew at gtchew2012@gmail.com. Lead instructor will be Lori Littleford.

- Treasurer Report – (Refer to previously distributed reports.)
- Reported overall the club is better off by \$1000 for the prior year.

- Budget summary has been updated with a few more columns to help people understand the reports.

Motion to accept report: Kevin Gallagher

2nd Motion: Linda Maggy

Approve: UC

Committee Reports:

- Awards Banquet – Status, Linda Maggy, we have 41 people with one extra lunch being purchased, very close to being within budget. 20 new people attending this year that did not attend last year. There are a few events occurring this year which may have had people travelling out of town.
- Dog Show Support – Discuss status of committee. What should be included in the duties? Supported entry? Golden Gate bench décor? Costume contest at Dixon? We need a new Chair/committee.

Motion to limit dog show support committee to supported entry: Kevin Gallagher

2.

Approved: UC

- Newfs Paper –

1. **Discuss status of sending hard copies to members who requested them.**

John spoke to Ursula Cabalzar, she's identified 3 people who will need the NewfsPaper mailed.

2. **Discuss sending copies to NCA NewfTide editor**

Per John the board has approved, Jen will be sending the NewfsPaper to the NewfTide editor with the password to our member only section on the website removed.

Unfinished Business:

- List of passwords – KG to put the passwords in a section of the website that is protected. KG created a page on the website and suggested use of Last Pass. Opening a Last Pass account which is a secure storage site for passwords (motion approved UC, December 6, 2014). Plan what is to be put into website. Kevin stated that passwords to be stored for Gmail, Paypal, website and possibly Smugmug. **Action:** Anyone who has an account with a password needs to send Kevin a short description of the account (not the password). Kevin to put list together for board to decide which passwords to be put on secure location. **Discussion: Tabled**

- By-Laws, Board approval of contracts – The Board will provide pre-approval to vendors on the approved vendor list as long as the agreement is within budget (motion approved UC, April 26, 2014). HJ to prepare approved vendor list for Board review and approval. HJ to update categories with do not use, regional judges, working judges, stewards. Create a 5 year rolling list (motion approved UC, August 9, 2014). Approved Vendor list to make it available to the membership (motion approved UC, December 6, 2014). Hazel went through the list and confirmed the vendors who actually had contracts with NCNC (January 17, 2015). **Action:** Hazel to put together what this list means and how to use. (Draft distributed February 17, 2015) **Discussion:** **Motion to approve the current vendor list and proposal: Gina**

•

2.

Comment by Kevin, the Board needs to police the list for new vendors, need to see new contracts if the vendor is not on the list.

Comment by Hazel, the new voucher will have a comment that contract copies are to be attached.

Approved: UC

Action: Kevin to determine where the vendor list will reside on the new website.

- Use of PayPal – Action: Committee of HJ, KG, GB and Diane Blandina formed to further investigate and bring findings to the membership (motion approved UC, August 9, 2014). Kevin Gallagher to be the committee chair (motion approved UC, December 6, 2014).

Kevin and Gina reported two different options, 1st to use PayPal via buttons, 2nd option via invoicing through PayPal. We can build templates and customize. We may also be able to import documents. The cost for the account is free, however there is a per transaction fee of 2.9% + \$0.30. The club will need to decide who absorbs the fees. **Action:** Work on implementing/testing during 2015. Use PayPal as a payment option for NCNC transactions (motion approved UC, December 6, 2014). Committee to have full access to NCNC's PayPal account (motion approved, December 6, 2014, KG abstaining). The PayPal account was changed from "personal" to "business", allowing IDs to be created with various access levels. This eliminates the need for committee members to have "full access." An ID was set up for Kevin with "developer" and "invoice creation" access. He has begun testing. A new checking account was created to interface with PayPal. Gina would like to use it for Regional fundraising. **Discussion: Update by committee Gina using PayPal for regional fund raising for the invoicing.**

- Roles and Responsibilities Document – **Action:** Hazel to discuss the roles and responsibilities at the next meeting for the regional costume contest. Gina & Pam (Regional Chairs) are discussing with Sac Valley whether or not NCNC takes on the event. **Discussion: Tabled**
- Website – Kevin to work on design changes which will include working dog information. **Action:** Rebuild the website for the budgeted amount of \$275. The old site will be left up while the new site is being built. Delivery of the new site is February 1, 2015 (motion approved December 6, 2014. KG abstaining). Kevin asked the Board what we are trying to accomplish. This will help design of the home page. General home page should contain mission statement, contacts, and events. **Action:** Board needs to send ideas to Kevin. (January 17, 2015) **Discussion:**

Kevin is working on form organization.

Kevin will send the link to the board to visit the new site for site review and comments.

Linda suggested adding section about how to become a general member.

Kevin discussed policing the website. Kevin is not going into the site daily to be sure links and forms are correct. The club members and committee chairs should be responsible to let Kevin know if something is not correct or not working.

Financial Procedures – Should there be a threshold value (e.g. \$20) for requiring receipts with an expense voucher? **Status:** Tabled at January meeting. **Discussion:**

A proposal was made that receipts are not required for items under \$20, however some rewording of the total proposal is required so further discussion was tabled.

New Business:

- Should the general membership application be available on the website with instructions for applying for general membership? **Discussion:**

Action item 1) Gina to send Colleen a sample letter she and John used when they sent out a new member welcome letter. The letter described associate and general membership. 2) Kevin looking at the website to determine where to post the description of what a general member and associate member is.

Motion for Executive session: Kevin Gallagher

2.

Coming out of executive session the corresponding secretary is directed to send out a letter.

Out of executive session

- Hazel suggests setting up a system for tracking items bought for ring favors/trophies/etc. **Discussion:**

Hazel will begin tracking trophies/gifts from the vouchers to come up with an inventory of left over items as well as the location of those items so future committee chairs can use said items.

- NCA requests 4 items to be donated to the National for the Healthy Challenge auction. **This will be discussed at the general meeting.**
