The **water work seminar** at Lake Berryessa was very successful. We had a large turn-out of dogs in all levels. Our instructor, Cheryl Dondino, did a wonderful job working with the dogs and handlers, providing very useful suggestions, and keeping the event running on time. The seminar committee also did a great job providing the site, plenty of helpers, and great food. Thank you Cheryl Dondino, chairs Jen Larsen and Dawn Druge, BBQ cook Kevin Gallagher, and everyone else who participated!

The early **Summer Water Test**, which was scheduled at Folsom Lake for July 22-23, has been **canceled**. There were still too many uncertainties concerning the high lake level (e.g. no beach) and the large amounts of debris. Hopefully these issues will be resolved so that water training can resume and the **September Water Test** (September 9-10) can take place. Check the website or the Newfs Paper for updates. Concerning the September Water Test, please contact Lori Littleford (Chair) if you want to help, or contact John Pearson (Chief Steward) if you are interested in stewarding.

So far, **water training** has been very limited due to the debris in Folsom Lake and worries about blue green algae at Lake Del Valle. However, some folks have been training at Lake Berryessa. For updated information on Folsom & Berryessa, contact Cathy Sayer. For updated information on Lake Del Valle, contact John Pearson.

As I write this article, I am looking forward to the

Annual NCNC Picnic and Meeting on Saturday, June 24, 2017, at the San Leandro Marina Park. We have used this park very successfully several times now. Being right on the bay, the weather has been great! We will be at the larger Sea Gull area this year, so there will be lots of room for delicious BBQ food & drink, socializing, and various Newfy games and activities including a **Rescue Parade and Rally course**. I hope to see you there.

On September 29, we will have an **NCNC meeting** at Hazel Jacoby's home in Castro Valley. Of particular note, we will have a session after the General Meeting to select judges and make other important decisions concerning the **2018 Regional Specialty**. If you want to help make these decisions, please plan to attend.

We have lots of activities planned for you and your dogs. As always, check the calendar section of the Newfs Paper or the NCNC website for more details. I hope to see you there!

Have fun with your Newfs!

Dogs in Rescue

Here is a status of the dogs currently in rescue:

- *Sanders - 5 year old male Landseer, being medically evaluated*

Dogs Placed in their Forever Homes Last Month

- *Ele – 4 year old Brown female, adopted!*
- *Lucy - 4 year old Black female, adopted!*

If you have an interest in adopting a wonderful dog from rescue, please follow the procedure on our website newfhealthandrescue.org and send your application to Beth Mirsky. If you have adopted from us before, let Beth know that you are ready for another dog as your application should still be on file. Thank you for your support.

NH&R Donations

We would like to thank and acknowledge the following for their donations:

- Chris & Nancy Miller, in memory of their wonderful Newfie, Humphrey
- Daniel Zimmerlin, to honor the adoption of their Annie, 6 ½ years ago, on her approximate birthday.
- Cori Zuckerman Vallone, in memory of

Attention volunteers!

We still need help with the Regional Specialty Show and Trials!

Very few are confirmed to assist and I need more help. Ring stewards (conformation), assistant grounds/equipment, judges hospitality and airport transfers, and fundraising are just a few of the diverse jobs available.

Please let me know how you can help- what are your special talents?

Thank you.

Stewards Needed for September Water Test

We will need a large group of stewards for the September Water Test, which is scheduled for September 9 & 10, 2017, at Folsom Lake. Of course, experienced stewards are very welcome, but you need not have any previous experience to help! New people will be teamed with experienced people. Stewarding is a great way for new people to learn about water work, and stewarding is also the best seat in the house!

If you are interested in stewarding, please contact John Pearson (waterdog@ix.netcom.com) and tell me a little about yourself (e.g. any previous experience, or not; any preferences for assignments; have you called for any dogs this year in practice; are you planning to also enter a dog?).
