TEST SITE

Description: The draft test rules state that the handler should use equipment suitable for the test terrain.

The park surrounds a shallow lake not recommended for swimming. The freight haul route may include dirt paths along a seasonal creek or the lake, through the hills and meadows, asphalt parking lots and trails, wooden bridges, and a rock-lined path through a garden. Some of the hills are steep. One may encounter horses hikers with dogs, and wildlife, including geese and deer, along the route.

Anyone having further questions concerning the site should contact the test secretary for details.

Directions to the test site: Lagoon Valley Regional Park is located along the south side of interstate 80 between Fairfield and Vacaville. Exit a Pena Adobe Rd. If going eastbound, turn right into the park. If going westbound, the off ramp loops around to the right. At the stop sign, turn right, cross I-80 and then turn left to enter the park. The site is around to the left past the hill.

Parking at Test Site: Lagoon Valley Regional Park charges \$5.00 per vehicle per day for parking at the site. Pay by placing your fee in the honor box at the entry kiosk. Spectators are encouraged to carpool.

Practice: The test site is open to the public and you may practice from 7:00AM until 6:00PM any day before the test. There will not be a course set up. Parking fees apply.

Morning Hospitality – A continental breakfast will be provided for participants, stewards and judges the mornings of the tests.

Lunch – One free lunch will be provided per entry. Additional lunches are available for purchase at the price of \$10.00 each.
