A Conversation with **Governor Butch Otter**

Your chance to talk to the governor about the issues important to your small business!

Please join NFIB/Idaho State Director Suzanne Budge & CenturyLink's Idaho Public Affairs Director Ed Lodge for an exclusive opportunity to speak with Governor Butch Otter during a live telephone town hall.

Wednesday, April 9, 2014

3:30 p.m. (MDT)

The governor will be speaking exclusively to NFIB members regarding the latest key issues coming out of this year's legislative session, including healthcare, the budget, and state issues affecting Idaho small businesses. Additionally, and more importantly, he will be taking questions directly from NFIB members about policies that affect *your* business.

There's no need to register and it's easy to participate:

1. We'll call you at your business at about 3:30 p.m. on Wednesday, April 9th and automatically connect you to the live telephone town hall.
2. If you think you'll be out of the office at that time and would like to join the call on your own, please call **1-877-353-4701** to dial-in at any time.
3. For more information, please contact NFIB Member Support Manager Anthony Smith at 1-866-237-5261 or by e-mail at Anthony.Smith@NFIB.org.

The call will last about 45 minutes

This is a special NFIB members-only event.
