

EARLY ENDORSEMENTS*June 3, 2014*

The political action committee for Washington state's largest group of employers and leading generator of jobs today announced its endorsement of 48 legislators seeking re-election to the state Senate and House of Representatives and to one representative running for a senate seat.

The Washington SAFE Trust (Save America's Free Enterprise) of the National Federation of Independent Business, which has 8,250 small business members in the state, based its endorsement on a legislator's having an 80 percent or better pro-small-business voting record for their most recent term in office. A brief description of the 2013-14 bills or amendments and how each lawmaker voted on them can be found by clicking here.
