

EARLY ENDORSEMENTS

June 1, 2016

NFIB/Washington SAFE Trust, the political action arm of the state's leading small business association, issued early endorsements for the following 52 legislative candidates. Incumbents seeking re-election were evaluated based on their NFIB voting record: 2015-16 for state representatives, and 2013-16 for state senators. Challengers and candidates for open seats were judged based on their NFIB voting record, if available, or a completed candidate questionnaire.
