

NICHE Knowledge Center Login Instructions

Failed Login for Member Accounts:

If you are experiencing problems with your password, please select the “**Forgot your Password?**” link on Knowledge Center login page to reset your password and follow the instructions.

If you are unable to reset your password, please forward an email to support@nicheprogram.org.

New Member Login Instructions:

If this is your first time logging into the NICHE Knowledge Center and your account was created by a NICHE Administrator, you will need to login to your account with the following:

Username: **email address** (*all lowercase*)

Password: **changeme** (*default password*)

Once logged into the system, you will be prompted to change your password. [Click Here](#) for instructions on how to complete this process.

Non-Member Access:

If you are requesting access to the NICHE Knowledge Center and you are non-member, please submit a request to support@nicheprogram.org and a NICHE Administrator will create your account and provide confirmation with your login information.

For all other questions, please submit a request to support@nicheprogram.org.
