JULIA CLUKEY'S CAMP FOR GIRLS

Olympian Julia Clukey

A Message from Julia

This year has been a great year for me. Even after 15 years in the sport of luge, I'm still discovering new strengths and weaknesses in myself as an athlete. My competitive season was one of my most successful. I won my first US National Championship title and had my best World Cup season to date. I look forward to returning to Maine this summer and continuing my training and preparation for the 2014 Winter Olympics. I am also looking forward to another summer at Julia Clukey's Camp for Girls. I think often of the time I spent at Camp KV last summer and the amazing group of girls with whom my time there was shared. Watching the campers grow as individuals and find their own inner courage and confidence was one of the most rewarding experiences of my life. I anxiously look forward to once again being able to help and encourage young girls to have confidence in themselves and to provide them with the tools necessary to define and confidently pursue the things they are most passionate about.

ENROLLMENT

In order to reserve a slot for your child/children, a \$100 non-refundable deposit, and complete registration packet for each child must be submitted by **June 10th**. The Kennebec Valley YMCA requires all campers to submit a current medical form AND immunization record completed by a physician within 12 months of the beginning of camp.

ABOUT JULIA CLUKEY

Olympian Julia Clukey is from Augusta, Maine and is a member of the U.S. National Luge Team. She competed in the 2010 Olympics in Vancouver and plans to compete in the 2014 Olympics in Sochi, Russia. However, her luge career isn't the only thing she is passionate about. She loves living in Maine and enjoys giving back to the community. As a spokesperson for the Maine Beer & Wine Distributors Association, she has shared her Olympic story and message about good decision-making and responsibility to more than 5,000 Maine high school students.

Julia is a life-long member of the KV YMCA. She became interested in luge when she was just 12 years old. Julia has always wanted to find a way to reach out and inspire the younger generation and teach them to work hard and stay focused on their dreams.
