Little Changes, Big Impact:
Integrating Evolution in Science and ELA

Christine Moskalik, Ed.D & Nicole Ross, Ph.D
NSTA Annual Conference 2022, Houston, TX

DATE & Location
Thursday, March 31, 4-5pm
George R. Brown Convention Center, 310A

CONTACT INFORMATION
Christine Moskalik, email: cmoskalik@imsa.edu, ph: 630-907-5961
Nicole Ross, email: nross@imsa.edu, ph: 630-907-5293

In this session, we explore the use of fiction to help make complex topics like evolution, heredity and natural selection more fun, understandable, and meaningful for elementary students through an interactive, kinesthetic game adapted from the story.
