QUALITY ALERT 'Low Sulphur Fuel Oils in Turkish Ports'

APPLICABILITY All ship owner and operators

INFORMATION Lloyd's Register FOBAS has received further information regarding the requirement to use 'Low Sulphur Fuel Oils in Turkish Ports' from 1st January 2012.

Effectively, the regulations require that the procedures, actions and record keeping as currently applied in order to comply with the Sulphur Directive in EU ports and waters (together with those of non EU States such as Norway) should, as from 1st January 2012, be equally applied when in Turkish ports and waters. Where any specific clarifications are required then the Turkish authorities should be contacted for their instructions

If you require any further information about this bulletin, please contact Lloyd's Register FOBAS on fobas@lr.org
