### Release and Waiver

I know that running/walking is a potentially hazardous activity. I should not enter and run/walk unless I am medically able and properly trained. I also know that, although police protection might be provided, there could be traffic on the course route; therefore, I assume the risk of running/walking through traffic. I also assume any other risks associated with participating in this event including, but not limited to, falls, contact with other participants, and the effects of weather and conditions of the road. I understand I am solely responsible for my own safety while traveling to and from or participating in this event.

Knowing these facts and inconsideration of your acceptance of my entry, I hereby for myself, my heirs, executors administrators, or anyone else who might sue on my behalf covenant not to sue, and waive, release and discharge the successors or assignees from any and all claims of liability for death, personal injury, or property damage of any kind or nature whatsoever arising out of, or in the course of my participation.

The release from and waiver extends to all claims of every kind or nature whatsoever, foreseen and unforeseen, known and unknown. The undersigned further grants full permission to use photographs, video tapes, motion pictures, recordings, or another record of the event for any purpose. Minors will be accepted with permission.
