

This is a Restricted Area

THERE ARE NO PUBLIC RESTROOMS

If you have any symptoms or have been in contact with anyone who has had a fever, cough, or shortness of breath, including children,

DO NOT ENTER THIS BUILDING.

If you sneeze or cough, you will be asked to leave.

These doors are to remain locked. If you are in need of drug testing services between the hours of 7:30 am and 12 pm, please call 404-687-8020.

Due to the recent CDC recommendations regarding COVID-19, we will be implementing the following protocols for the protection of our clients, staff, and candidates.

- Limiting our testing hours to 7:30 to 12:00.
- Reducing the number of people allowed in our office at any given time. This means that this door may be closed during working hours, but rest assured we are still testing candidates. Please be patient and wait at the door so you will be the next one in when the door is opened.
- Implement sanitizing measures of all surfaces as well as preventing those who are ill from infecting others.

ANYONE COUGHING OR SNEEZING WILL BE ASKED TO LEAVE.

Please bear with us as we work through these challenges.
