PAEE Announces EE Certification Working Group Invitation

The Pennsylvania Association of Environmental Educators (PAEE) is forming a working group to guide further development of a non-formal EE certification program in Pennsylvania. The working group will design a detailed implementation plan to be proposed to the PAEE Board. Participation in this working group, as well as related committees, is open to all members of the Pennsylvania EE community. For more information, please visit www.paee.net.

Retired PCEE Director Lauded for Work and Contributions

Kathleen Paul, former PCEE Director, was recently recognized by Pennsylvania Governor Tom Corbett and Senator Mary Jo White for her work and contributions to the Commonwealth. The Governor's letter lauds her commitment to environmental education in the commonwealth and the indelible mark she has made on the community. The Senate citation outlined Paul's success in expanding the reach of PCEE by growing the website to more than four million views annually and establishing a satellite office in Kutztown. Paul also played an important role as a member of the Technical Advisory Committee that developed the nationally recognized 2009-2013 Statewide Comprehensive
