Accountability and Performance Branch

Perkins Collaborative Resource
Network (PCRN) | <http://cte.ed.gov>

May 21, 2015 | 2:00–3:00 PM EDT

DQI Logistical Information

- Meeting Date
 - November 4-5, 2015
 - Start time 9:00 am (breakfast at 8 am)
 - Travelers should plan to arrive November 3rd
- Location
 - The Conference Center at the Maritime Institute, Baltimore, Maryland
 - Meals and lodging available (using state funds)
- Themes: Data Sharing
 - Choosing the metrics
 - Sourcing the data
 - Using and presenting information

NSWG Survey Feedback

- Voluntary survey to identify potential DQI topics
 - Administered March 31 – April 10
 - 14 responses
- Summary of responses
 - What types of data should be collected?
 - How do states collect data (e.g., SLDS, employment, clearinghouses)
 - How can collection challenges be overcome (e.g., privacy, cost)?
 - What strategies exist for sharing and messaging data?

DQI Topic 1: Choosing the Metrics

- Potential Topics
 - Perkins measures (current and potential)
 - Programs of study
 - Career pathways
- Potential Breakouts
 - Certification Data Exchange Project
 - Expanded Measures of Enrollment and Attainment (GEMEnA)
 - Programs of study metrics (AZ)

What topics or breakouts are missing?

DQI Topic 2: Sourcing the Data

- Potential Topics
 - Privacy
 - SLDS
 - Labor market data
- Potential Breakouts
 - Assessing industry certification awards (data harvesting tools)
 - Common Education Data Standards project (CEDDS)
 - FERPA (Privacy Technical Assistance Center)
 - Selecting measures for SLDS (NCES)

What topics or breakouts are missing?

DQI Topic 3: Using and Presenting Information

- Potential Topics
 - Analytic tools
 - Using data to drive program improvement
 - Tools for sharing data at the local level
- Potential Breakouts
 - Data dashboards (MD)
 - Feedback reports (FL)
 - Toolkits (TX CTE Special Populations Resource Center)

 *What topics or breakouts are missing?*

Other Meeting Options

- State sharing of best practices (Data Fair)
 - Speed dat(a)ing: 5 minute state-to-state sharing
 - Topic roundtables
 - (e.g., dual enrollment, remediation, related postsecondary placement)
- Other topics and considerations?
