

# **PERKINS IV SECONDARY PERFORMANCE IMPROVEMENT PLAN (PIP) POLICY**

The Carl D. Perkins Career and Technical Education Act of 2006 (“Perkins”) was signed into law in August 2006, and authorized for FY2008-FY2013. The Ohio Department of Education (“ODE”) has developed a state plan for implementing the requirements under this Act.

Section 123(b) of the Perkins Act of 2006 requires all local recipients meet a minimum of 90% of a negotiated level of performance for core indicators. As the agency responsible for accountability, ODE must determine whether recipients meet the negotiated performance target, provide appropriate technical assistance, and implement sanctions where necessary.

Under Perkins, *ODE may withhold any or all Perkins funding* if the recipient fails to:

- I. submit and implement a PIP, *or*
- II. make improvement in any year of implementation of the PIP, *or*
- III. meet 90% of the negotiated performance target for three consecutive years.

**The following procedure will be implemented in the event an eligible recipient of Perkins funding fails to meet 90% of the negotiated performance target:**

- A. Recipient fails to meet 90% of the negotiated performance target
  1. Notification of non-compliance will be by both electronic and U.S. Postal service.
  2. Recipient must submit an approvable PIP to the Ohio Department of Education within thirty (30) calendar days of notification. Guidelines for preparing a PIP will be published by ODE.
  3. The thirty days will commence from the postmark on the notification letter.
  4. The notification letter serves as full and adequate notice for due process purposes.

*Level A Sanctions: If the recipient does not submit a PIP by the deadline, or submits an incomplete PIP per the published guidelines, then Perkins funds shall be withheld until a complete plan is submitted.*
