

THE SECRETARY OF EDUCATION

WASHINGTON, DC 20202

June 12, 2020

Dr. Monty Sullivan, President
Louisiana Community
and Technical College System
265 South Foster Drive
Baton Rouge, LA 70806

Dear Dr. Sullivan:

I am pleased to approve the Louisiana 4-year State Plan, covering Fiscal Years (FY) 2020-23, to implement the requirements of the Carl D. Perkins Career and Technical Education Act of 2006, as amended by the Strengthening Career and Technical Education for the 21st Century Act (Perkins V). I congratulate you on this significant accomplishment.

My decision regarding Louisiana's Perkins V State Plan is based on input from the U.S. Department of Education (Department) staff who reviewed and carefully considered how the plan effectively met the requirements of the Perkins V statute and applicable Department regulations. As required under Perkins V, Louisiana must periodically review and revise the plan throughout the 4-year period, as necessary, to reflect changes in the State's strategies and goals to provide career and technical education programs (CTE) that meet the needs of all students in the State.

Please be aware that approval of the Perkins V State Plan is not a determination that all the information and data included in the plan comply with Federal civil rights requirements, including Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act, and requirements under the Individuals with Disabilities Education Act. It is Louisiana's responsibility to comply with these civil rights requirements, including through the State's Methods of Administration (MOA) State Plan under the "Guidelines for Eliminating Discrimination and Denial of Services on the Basis of Race, Color, National Origin, Sex and Handicap in Vocational Education Programs" (MOA Guidelines) (34 C.F.R. Part 100, Appendix B).

Please note that this letter, with Louisiana's approved Perkins V State Plan, will be posted on the Department's website at <https://cte.ed.gov>. Thank you for the important work that you and your staff are doing to provide multiple pathways for students to explore, choose, and follow CTE programs that enable them to earn credentials of value and successfully compete in the global economy.

Sincerely,

Betsy DeVos

cc: Ms. Patricia Felder, State Director for Career, Technical, and Adult Education
