Student Definitions

A. Secondary Levels

Participants

A secondary student who has earned one (1) or more credits in a state- approved career and technical education (CTE) program area.

Concentrators

A secondary student who has earned three (3) or more credits in a single CTE program area (e.g., business and information technology or health and medical sciences), or two (2) credits in a single CTE program area, but only in those program areas where 2 credit sequences at the secondary level are recognized by the State and/or its local eligible recipients.

B. Postsecondary/Adult Level

Participants

A postsecondary/adult student who has earned one(1) or more credits in any CTE program area.

Concentrators

A postsecondary/adult student who: (1) completes at least 12 academic or CTE credits within a single CTE program area sequence that is comprised of 12 or more academic and technical credits and terminates in an award of an industry-recognized credential, a certificate, or a degree; or (2) completes a short-term CTE program sequence of less than 12 credit units that terminates in an industry-recognized credential, a certificate, or a degree.
