"We will continue to prepare students for today’s constantly shifting job market, and we will help employers find the workers they need."

President Donald J. Trump

"Congress came together to expand educational pathways and opportunities and give local communities greater flexibility in how best to prepare students for the jobs of today and tomorrow."

Education Secretary Betsy DeVos
TIME TO reTHINK

- Unemployment - 3.9%
- Skilled occupations - 13% gap
- Health care - 1.1 million unfilled
- Manufacturing (2015-2025) - 2 million unfilled
TIME TO reTHiNK

- What is the right secondary/postsecondary “split of funds” given today’s environment?
- How can “reserve” funds best be used to spark innovation and incentivize “high-quality?”
- How do you define/approve high-quality CTE programs?
- How can work-based learning, including “earn and learn programs” such as apprenticeships, be the rule and not the exception?
- How do we build the pipeline of teachers necessary to deliver the critical pathways local communities need?
- What is your state’s level of commitment to Career Pathways and Programs of Study?
- What is the best role for employers in program development and delivery?
Expand opportunities for every student to explore, choose, and follow vertically-integrated career pathways to earn credentials of value.
