Dear Lana & Robert,

I have finally found my first home and wish to thank you for all your hard work and effort over the course of a month and a half.

I sourced your services in order to save time, money and get professional property advice and I received it all!!

You saved me a massive \$34,000 off the agent's asking price for my one bedroom apartment, which was an outstanding result - way over my expectations. You certainly earned your fee.

I am very excited about my new property and appreciate the professional manner of all your office staff.

I will definitely be recommending PK to other potential clients.

Yours sincerely,
