

BUILDER'S CLUB

FALL CALL:

KALAMA

OUR CHURCH

The Kalama United Methodist Church is a small but vital congregation that ministers to persons from many Christian traditions. We are united in worship by prayer, proclamation and singing, strengthened by teaching in discipleship, and known for our outreach and sense of Christian mission. We celebrate important events and provide support during the trying times in the lives of our members. We have been faithful stewards of our church facility maintaining a safe and inviting place to serve not only our congregation, but also our community from preschoolers to elders.

We are an outward looking congregation and members contribute time and money toward ministries beyond our immediate mission field. Each year we fulfill our conference apportionments. Last year, Kalama UMC contributed to the Kalama Learn to Swim program, Helping Hand food bank, Community House homeless shelter, Community Action Program, Gideon Bible and the United Methodist Imagine No Malaria and Disaster Response United States-Oklahoma projects. This year we made significant contributions to Salvation Army community programs and the UM Hope for the Children of Africa fund. Our United Methodist Women also support local and conference ministries.

A TIME OF NEED

Last spring, as annual conference approached, we faced an uncertain future of pastoral leadership. We were blessed when Peggy DeMent accepted the call, agreeing to make the long commute to our community and serve halftime as our pastor. We now face an unexpected expense: at least \$7500 to remodel an apartment in our building for Pastor Peggy to stay while she ministers to us. We would be grateful to the Builder's Club if you would consider assisting this project to keep our ministry in Kalama strong.

PLEASE SUPPORT THE MINISTRY OF KALAMA UNITED METHODIST CHURCH WITH YOUR PRAYERS & BUILDER'S CLUB GIFTS

Please send included form and donation to District Service Center, PO Box 13650, Des Moines, WA 98198.
