SWEET CHILI SAUCE TIPS “Quick Recipe Tips for Parties and Side Dishes”

For Seared Spicy-Sweet Scallops, pat large sea scallops dry and cook in a very hot nonstick skillet until seared on each side. Turn off the heat, spoon the sauce over the scallops and turn until the sauce is glazed and hot and coats both sides of the scallops.

Serve the sauce over vanilla ice cream and top with chopped peanuts.

For Rice Cakes with Sweet Chili Sauce, mix leftover cooked brown or white rice with eggs and sauté 1/4 cupfuls of the mixture in peanut or canola oil until brown and crisp. Top with the sauce.

For a quick cucumber salad, mix the sauce with rice vinegar and toss with sliced cucumber and thin red onion rings.

For Sweet Chili Sauce Glazed Carrots, sliced carrots are cooked with a little butter and water and when the carrots are tender and the water is evaporated the chili sauce is added to cook until the carrots are glazed.

For Spicy Mashed Sweet Potatoes, cook peeled and cubed sweet potatoes in salted water until tender, drain and returned to the pan with a little cream and the sauce and mash them.
