

“What’s Wrong With Me?! Why Doesn’t He Want Me??!!?”

“I’ve Got My Sh*t Together, But I *Still* Can’t Find a Man!”

Dear Independent Woman,

Congratulations! You’ve finally got the job & house of your dreams! Now that you’ve reached this level of success, it should be easy to find a man that will date, love, and marry you, right?

Wrong!

If you’re like millions of women who’ve earned more money than some men in the last couple of years, you know firsthand that dating is literally harder than you expected. Every guy that approaches makes you think “Is he after me for my money?”

If you’re in a serious relationship you think “Will he become intimidated by my success and leave me for a waitress??”

If you don’t get this under control, you’ll spend your life being a bridesmaid and NEVER a bride!

Haven’t you wasted enough years of your life worrying?

Are you ready to stop this nonsense once & for all?

Introducing **From Dating to In a Relationship** an 8-week Video Series. This visual series provides independent women the tools they need to have satisfying, long-term

relationships. It’s delivered every week via **email** so you can learn **EFFECTIVE** dating & relationship strategies from the comfort of your own home. (No one will know but you. How cool is that?!)

Plus, just for giving this series a try, you’ll walk away with a complimentary **Premium Gift valued at \$276**.

You’ll Get:

- ✓ A copy of *Why Did He Do That? 20 Common Male Behaviors & Phrases Decoded* (\$27 Value)
- ✓ *5 Crucial Mistakes Women Make That Keeps Them Single (when they don’t wanna be)* (\$18 Value)
- ✓ *Before You Marry Manual: The Essential Guide For Brides-to-Be* (\$97 Value)
- ✓ *How to Send Mr. Right Your “Come & Get Me” Signal Fast* (\$67 Value)
- ✓ *Overcome Dating Self-Sabotage* (\$67 Value)

You can either stay frustrated & waste more precious years of your life using the wrong dating strategies or you can **find a deeply satisfying relationship in as little as 8 weeks** using the right ones.

And if you’re not FULLY satisfied in the first 4 weeks, you’ll get your \$\$ back—NO QUESTIONS ASKED.

Think about it, I’m giving you \$276 for FREE. With the complimentary material alone, you will change your dating experience around as soon as you’re done with it! Just imagine the value you’ll get in 8 weeks!

If ya don’t love it after your first month, I’ll refund you!
