VITON SEALS**

*Aladdin's Pump & Valve Repair Kits are the easy and convenient way to service and repair pumps and valves. Aladdin has taken the guess work out of identifying and selecting the parts needed to service the most common pump and valve repair applications. All of the essential replacement parts are packaged together as one complete kit. Each kit contains the proper quantities of each of the parts needed including O-rings, gaskets, seals, and connectors. Each kit also contains a package of Aladdin's Magic Lube® - the \*PTFE-based sealant/lubricant with the USDA H-1 rating for environmental safety or Magic Lube II® - Silicone for valve kits.*
