

## Cartridge Filters

### Applications

- In-ground, in-deck or moveable spas
- Hot tubs
- Above ground pools

### Features

- Locking system for the top cover
- Includes pressure gauge and air release valve on filter cover
- Extra - large cartridge element with new precision engineered extruded core provides extra-strength and maximum flow
- 1-1/2" threaded connector OR 1-1/2" quick connector

## Cartridge Filters

### Filter Only

Model Number	Filter Area Ft <sup>2</sup>	Pipe Size	Design Flow Rate	Maximum Working Pressure bar (PSI)	Weight
RL3110	25	1-½"	25 gpm	3.5 (50)	4.5 lbs
RL3112	50	1-½"	50 gpm	3.5 (50)	6.2 lbs
RL3113	70	1-½"	70 gpm	3.5 (50)	7.4 lbs
