

Make Finding Top IT Talent Easier

Finding the right professional to fill short-term or long-term resource needs can be frustrating and time consuming. Our experienced staffing specialists draw from our extensive database of skilled, proactively screened candidates to successfully place IT professionals in contract, contract-to-hire, permanent or executive IT positions. Ingram Micro IT Staffing Services leaves you free to drive sales and service customers by outsourcing the mundane tasks of recruiting and staffing technical professionals.

Consider staffing services for your business as well as your clients for:

- Company openings
- Optimize productivity of current personnel
- Increase customer satisfaction
- Projects staffing
- Resale services opportunities
- Coverage for PTO

Service Overview

Our IT Staffing services offers three types of placement options, including:

Full-time Direct Personnel Placement

Economical and contingency-based solution which is extremely competitive to your local talent acquisition firm, but with a national and international reach for IT technical and sales positions.

Temporary / Project-Based Placement

Ideal for short-term needs. This option offers low-end labor to high-end specialized technical resources and everything in between. Contract a technical resources and only pay for the hours needed.

Temporary-to-Hire Placement

Convert your temporary contractor to full-time direct employment at a prorated fee according to the number of hours worked.

Areas of Expertise

- Infrastructure & Support
- Applications Development
